**SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34–95335; File No. SR–NYSEAMER–2022–30]

**Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Make a Non-Substantive Change to Rule 7.31E(a)(2)(B) Regarding Limit Order Price Protection**

July 20, 2022.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (“Act”)<sup>2</sup> and Rule 19b–4 thereunder,<sup>3</sup> notice is hereby given that on July 8, 2022, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit

comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange proposes to make a non-substantive change to Rule 7.31E(a)(2)(B) regarding Limit Order Price Protection. The proposed rule change is available on the Exchange’s website at *www.nyse.com*, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

**II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

*A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change*

1. Purpose

The Exchange proposes to make a non-substantive change to Rule 7.31E(a)(2)(B) regarding Limit Order Price Protection.

Rule 7.31E(a)(2)(B) (“Limit Order Price Protection”) provides that a Limit Order to buy (sell) will be rejected if it is priced at or above (below) the greater of \$0.15 or a specified percentage away from the National Best Offer (National Best Bid) (“NBO” and “NBB,” respectively). The rule currently states that the “specified percentage is equal to the corresponding ‘numerical guideline’ percentage set forth in paragraph (c)(1) of Rule 7.10E (Clearly Erroneous Executions) for the Core Trading Session.” Pursuant to Rule 7.10E(c)(1), those numerical guidelines are as follows: 10% for securities with a reference price up to and including \$25.00, 5% for securities with a reference price greater than \$25.00 and up to and including \$50.00, and 3% for securities with a reference price greater than \$50.00.

The Exchange proposes to amend Rule 7.31E(a)(2)(B) to delete the cross-reference to Rule 7.10E(c)(1) and instead include the specified percentages from

Rule 7.10E(c)(1) as a table in the text of Rule 7.31E(a)(2)(B) itself, as follows:

Reference price	Specified percentage
Greater than \$0.00 up to and including \$25.00 .....	10
Greater than \$25.00 up to and including \$50.00 .....	5
Greater than \$50.00 .....	3

The Exchange does not propose any change to the percentages themselves or when they would apply. Accordingly, the proposed change would be non-substantive and would raise no novel issues.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>4</sup> in general, and with Section 6(b)(5),<sup>5</sup> in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that the proposed change to Rule 7.31E(a)(2)(B) would remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, protect investors and the public interest because deleting the cross-reference to Rule 7.10E(c)(1) and instead including the relevant percentages from Rule 7.10E(c)(1) in the text of Rule 7.31E(a)(2)(B) itself will enhance the clarity of the rule.

*B. Self-Regulatory Organization’s Statement on Burden on Competition*

The Exchange believes that the proposed rule change will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather would be a non-substantive change to delete the cross-reference to Rule 7.10E(c)(1) and instead include the relevant percentages from Rule 7.10E(c)(1) in the text of Rule 7.31E(a)(2)(B) itself.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and; (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>6</sup> and Rule 19b-4(f)(6)<sup>7</sup> thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. <sup>7</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
