[Docket ID: FEMA-2022-0022; OMB No. 1660-0054]

Agency Information Collection Activities: Proposed Collection; Comment Request; Assistance to Firefighters Grant Program and Fire Prevention and Safety Grants—Grant Application Supplemental Information

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 60-Day notice of revision and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on a currently approved collection with revisions. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the applications for the Assistance to Firefighters Grant (AFG) program, the Fire Prevention and Safety (FP&S) Grants program, the Staffing for Adequate Fire and Emergency Response (SAFER) Grants program, and the Assistance to Firefighters Grant Program—COVID-19

Supplemental (AFG-S). These programs focus on enhancing the safety of the public and firefighters with respect to fire and fire-related hazards. The changes proposed will acknowledge the FEMA Grants Outcomes (FEMA GO) system as the new collection instrument for the AFG, AFG-S, SAFER, and FP&S programs. The individual forms will be combined into a question bank to allow the FEMA GO system to fully utilize its technology to simplify the process by reducing unnecessary questions.

DATES: Comments must be submitted on or before October 3, 2022.

ADDRESSES: Submit comments at www.regulations.gov under Docket ID FEMA-2022-0022. Follow the instructions for submitting comments.

All submissions received must include the agency name and Docket ID, and will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy and Security Notice that is available via a link on the homepage of www.regulations.gov.

FOR FURTHER INFORMATION CONTACT: William Dunham, Fire Program Specialist, FEMA, Grant Programs Directorate, 202-786-9813 or Firegrants@fema.dhs.gov. You may contact the Information Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.
