

Netherlands; NXP USA, Inc. of Austin, Texas; Avnet, Inc. of Phoenix, Arizona; Arrow Electronics, Inc. of Centennial, Colorado; Mouser Electronics, Inc. of Mansfield, Texas; Continental AG and Continental Automotive GmbH, both of Hanover, Germany; Continental Automotive Systems, Inc. of Auburn Hills, Michigan; Robert Bosch GmbH of Gerlingen-Schillerhöhe, Germany; and Robert Bosch LLC of Farmington Hills, Michigan (collectively, “Respondents”). The Office of Unfair Import Investigations (“OUII”) is participating in the investigation.

The Commission previously terminated the investigation as to certain claims of the ’928 patent, the ’474 patent, the ’017 patent, and the ’228 patent. See Order No. 16 (Feb. 9, 2022), *unreviewed by* Notice (Mar. 2, 2022); Order No. 21, *unreviewed by* Notice (May 16, 2022).

On July 12, 2022, MediaTek and Respondents filed a joint motion to terminate the investigation in its entirety based on a settlement agreement (“Agreement”). On July 14, 2022, OUII filed a statement in support of termination but expressed concerns regarding the redactions to the public version of the Agreement. On July 21, 2022, MediaTek and Respondents filed a revised public version of the Agreement.

On July 25, 2022, the presiding ALJ issued the subject ID (Order No. 24), granting the joint motion to terminate the investigation based on settlement. The ID finds that the motion for termination satisfies Commission Rule 210.21(b) (19 CFR 210.21(b)) and that no extraordinary circumstances exist that would prevent the requested termination. No petitions for review were filed.

The Commission has determined not to review the subject ID. The investigation is terminated in its entirety.

The Commission vote for this determination took place on August 4, 2022.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission’s Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.

Issued: August 4, 2022.

Katherine M. Hiner,

Acting Secretary to the Commission.

SUPPLEMENTARY INFORMATION:

Background: As required by the USMCA Implementation Act, the Commission in its report will focus on USMCA automotive rules of origin (ROO) and their effects on the U.S. economy, impacts to U.S. competitiveness, and relevancy considering recent technology changes. In particular, the USMCA Implementation Act requires that the Commission report on:

(1) the economic impact of USMCA automotive ROO on U.S. gross domestic product, trade, employment, and consumers, as well as economic impact on production, investment, capacity, revenues, wages, and employment in U.S. automotive industries;

(2) the operation of USMCA automotive ROO and their effects on the competitiveness of U.S. automotive production and trade;

(3) the relevancy of USMCA automotive ROO in light of recent technology changes in the United States; and

(4) other matters the Commission considers relevant to the economic impact of the USMCA automotive ROO.

The USMCA Implementation Act requires that the Commission transmit its report on July 1, 2023, one year following submission of a USMCA automotive ROO report by USTR, also required by the USMCA Implementation Act. Because July 1, 2023, is a Saturday, the Commission expects to submit the report on Friday, June 30, 2023. The Commission is directed to submit reports on USMCA automotive ROO every two years thereafter until 2031.

Public Hearing: A public hearing in connection with this investigation will be held beginning at 9:30 a.m. on November 3, 2022. More detailed information about the hearing, including how to participate, will be posted on the Commission’s website at (https://usitc.gov/research_and_analysis/what_we_are_working_on.htm). Once on that web page, scroll down to Investigation No. 332–592, *USMCA Automotive Rules of Origin: Economic Impact and Operations 2023 Report*, and click on the link to

“Hearing Information.” Interested parties should check the Commission’s website periodically for updates.

Requests to appear at the public hearing should be filed with the Secretary no later than 5:15 p.m., September 30, 2022, in accordance with the requirements in the “Written Submissions” section below. All prehearing briefs and statements should be filed not later than 5:15 p.m., October 13, 2022. To facilitate the hearing, including the preparation of an accurate written transcript of the hearing, oral testimony to be presented at the hearing must be submitted to the Commission electronically no later than noon, October 27, 2022. All post-hearing briefs and statements should be filed no later than 5:15 p.m., November 11, 2022. Post-hearing briefs and statements should address matters raised at the hearing. For a description of the different types of written briefs and statements, see the “Definitions” section below.

In the event that, as of the close of business on September 30, 2022, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or nonparticipant should check the Commission website in the preceding paragraph for information concerning whether the hearing will be held.

Written Submissions: In lieu of or in addition to participating in the hearing, interested parties are invited to file written submissions concerning this investigation. All written submissions should be addressed to the Secretary and should be received not later than the dates provided for in this notice. All written submissions must conform to the provisions of section 201.8 of the Commission’s Rules of Practice and Procedure (19 CFR 201.8), as temporarily amended by 85 FR 15798 (March 19, 2020). Under that rule waiver, the Office of the Secretary will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice. Persons with questions regarding electronic filing should contact the Office of the Secretary, Docket Services Division (202–205–1802), or consult the Commission’s Handbook on Filing Procedures.

Definitions of Types of Documents That May Be Filed; Requirements: In addition to requests to appear at the hearing, this notice provides for the possible filing of four types of

documents: prehearing briefs, oral hearing statements, post-hearing briefs, and other written submissions.

(1) *Prehearing briefs* refers to written materials relevant to the investigation and submitted in advance of the hearing and includes written views on matters that are the subject of the investigation, supporting materials, and any other written materials that you consider will help the Commission in understanding your views. You should file a prehearing brief particularly if you plan to testify at the hearing on behalf of an industry group, company, or other organization, and wish to provide detailed views or information that will support or supplement your testimony.

(2) *Oral hearing statements (testimony)* refers to the actual oral statement that you intend to present at the public hearing. *Do not* include any confidential business information in that statement. If you plan to testify, you must file a copy of your oral statement by the date specified in this notice. This statement will allow Commissioners to understand your position in advance of the hearing and will also assist the court reporter in preparing an accurate transcript of the hearing (*e.g.*, names spelled correctly).

(3) *Post-hearing briefs* refers to submissions filed after the hearing by persons who appeared at the hearing. Such briefs: (a) should be limited to matters that arose during the hearing, (b) should respond to any Commissioner and staff questions addressed to you at the hearing, (c) should clarify, amplify, or correct any statements you made at the hearing, and (d) may, at your option, address or rebut statements made by other participants in the hearing.

(4) *Other written submissions* refer to any other written submissions that interested persons wish to make, regardless of whether they appeared at the hearing, and may include new information or updates of information previously provided.

There is no standard format that briefs or other written submissions must follow. However, each such document must identify on its cover (1) the type of document filed (*i.e.*, prehearing brief, oral statement of (name), post-hearing brief, or written submission), (2) the name of the person or organization filing it, and (3) whether it contains confidential business information (CBI). If it contains CBI, it must comply with the marking and other requirements set out below in this notice relating to CBI. Submitters of written documents (other than oral hearing statements) are encouraged to include a short summary of their position or interest at the beginning of the document, and a table

of contents when the document addresses multiple issues.

Confidential Business Information: Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission’s Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the “confidential” or “non-confidential” version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

As requested by the USTR, the Commission will not include any confidential business information in its report. However, all information, including confidential business information, submitted in this investigation may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes. The Commission will not otherwise disclose any confidential business information in a way that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: Persons wishing to have a summary of their position included in the report that the Commission sends to the USTR should include a summary with their written submission and should mark the summary as having been provided for that purpose. The summary should be clearly marked as “summary for inclusion in the report” at the top of the page. The summary may not exceed 500 words, should be in MS Word format or a format that can be easily converted to MS Word, and should not include any confidential business information. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. The Commission will list the name of the organization furnishing the summary and will include a link to the Commission’s Electronic Document Information System (EDIS) where the full written submission can be found.

By order of the Commission.

Issued: August 4, 2022.

Acting Secretary to the Commission.
