Abstract: The Limited Permittee Transaction Report—ATF Form 5400.4 is used to determine if limited permittees have exceeded the number of receipts of explosives materials they are allowed, as well as the eligibility of such persons to purchase explosive materials.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 100 respondents will respond to this collection six times annually, and it will take each respondent approximately 20 minutes to complete their responses.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 200 hours, which is equal to 100 (total respondents) * 6 (# of response per respondent) * .333333 (20 minutes or the time taken to prepare each response).

(7) *An Explanation of the Change in Estimates:* Due to fewer respondents, the total responses and burden hours were reduced by 50 and 150 hours respectively since the last renewal in 2019. The public cost burden for this information collection also reduced by \$65 although the postage rate increased from 55 cents to 58 cents since 2019.

AGENCY: Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

ACTION: 30-Day notice.

SUMMARY: The Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), Department of Justice (DOJ) will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for an additional 30 days until September 21, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and, if so, how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or

other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension with Change of a Currently Approved Collection.

(2) *The Title of the Form/Collection:* National Tracing Center Trace Request/ Solicitud de Rastreo del Centro Nacional de Rastreo.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number: ATF Form 3312.1/3312.1 (S). Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: State, Local, or Tribal Government. Other: Federal Government.

Abstract: The National Tracing Center Trace Request/Solicitud de Rastreo del Centro Nacional de Rastreo—ATF Form 3312.1/3312.1 (S) is used by Federal, State, local, and certain foreign law enforcement officials to request that Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) trace firearms used or suspected to have been used in crimes.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 1,153 respondents will complete this form on average 21.24 times per year, and it will take each respondent approximately 6 minutes to complete their responses.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 2,449 hours, which is equal to 1,153 (total respondents) * 21.24 (# of response per respondent) * .1 (6 minutes or the time taken to prepare each response).

(7) *An Explanation of the Change in Estimates:* Due to fewer requests for firearms tracing, the total respondents were reduced by 4,950. Consequently, the total responses and burden hours have also reduced by 319,987 and 31,999 hours respectively since the last renewal in 2019.

BILLING CODE 4410-FY-P

DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Work Application and Job Order Recordkeeping

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Employment and Training Administration (ETA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before September 21, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: Mara Blumenthal by telephone at 202–693–8538, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: This information collection enables States to comply with regulations under 20 CFR 652 and the Wagner-Peyser Act, as amended. Work applications (commonly referred to as “registrations”) are used in American Job Centers (AJCs), also known as One-Stop Centers, for individuals seeking assistance in finding employment or employability development services. Job orders are used in AJCs to obtain information on employer job vacancies. Retention of data for three years is necessary (1) to align with other Wagner-Peyser Act requirements, (2) in the event of issues that may arise when information must be verified. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 6, 2022 (87 FR 19976).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

DEPARTMENT OF LABOR

Mine Safety and Health Administration

[OMB Control No. 1219–0140]

Proposed Extension of Information Collection; High-Voltage Continuous Mining Machine Standards for Underground Coal Mines

AGENCY: Mine Safety and Health Administration, Labor.

ACTION: Request for public comments.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed collections of information in accordance with the Paperwork Reduction Act of 1995. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Mine Safety and Health Administration (MSHA) is soliciting comments on the information collection for High-Voltage Continuous Mining Machine Standards for Underground Coal Mines.

DATES: All comments must be received on or before October 21, 2022.

ADDRESSES: Comments concerning the information collection requirements of this notice may be sent by any of the methods listed below.

- *Federal E-Rulemaking Portal:* <http://www.regulations.gov>. Follow the on-line instructions for submitting comments for docket number MSHA–2022–0032.

- *Mail/Hand Delivery:* Mail or visit DOL–MSHA, Office of Standards, Regulations, and Variances, 201 12th Street South, Suite 4E401, Arlington, VA 22202–5452. Before visiting MSHA in person, call 202–693–9455 to make an appointment, in keeping with the Department of Labor’s COVID–19 policy. Special health precautions may be required.

- MSHA will post your comment as well as any attachments, except for information submitted and marked as confidential, in the docket at <https://www.regulations.gov>.
