A. Overview of Information Collection

Title of Information Collection: Thriving Communities Technical Assistance NOFO.

OMB Approval Number: Pending.

Type of Request: New Collection.
Form Number: Application for Federal Assistance, SF424; Disclosure of Lobbying Activities, SFLLL; Disclosure/Update Report, HUD-2880; and NOFO narrative.

Description of the Need for the Information and Proposed Use: Application information is needed to determine the competition winner, *i.e.*, the technical assistance provider best able to help jurisdictions ensure housing needs are considered as part of their larger infrastructure investment plan while supporting equitable development and local economic ecosystems. Additional information is needed during the life of the award from the competition winner, *i.e.*, the technical assistance providers, to fulfill the administrative requirements of the award.

Estimated Number of Responses: 10.

Frequency of Response: 1.

Average Hours per Response: 44.5.

Estimated Total Annual Cost: The total estimated cost is \$23,300.

The Consolidated Appropriations Act 2022 gave \$25 million to the Department of Transportation (DOT) for a Thriving Communities program. HUD was directed, in the report language to the Appropriations Act, to use \$5 million of its technical assistance funding to work with the Department of Transportation "to ensure housing and infrastructure development is taken into consideration as part of the thriving communities program."

The emergency review is needed to fulfill Congress' intent for the HUD to expeditiously provide technical assistance to jurisdictions, which are currently designing and implementing infrastructure investments, to support them in to meet critical housing needs, particularly for their low-income residents. Given the critical role housing plays in the well-being of individuals and communities, this opportunity to support more housing during this time of historic investment is essential.
