

the notice indicates that EPA anticipated allowing registrants to sell and distribute existing stocks of chlorpyrifos for one year after the publication of the cancellation order and to allow others to sell, distribute, and use existing stocks until exhausted. Earthjustice asserts that EPA cannot allow for existing stocks of chlorpyrifos to be sold, distributed, or used in this way as a result of the revocation of all chlorpyrifos tolerances. See the August 30, 2021 (86 FR 48315) (FRL-5993-04-OCSPP) publication in the **Federal Register**.

The applicability of the existing stocks language in the April 2022 notice of receipt to chlorpyrifos products was an oversight and is being corrected in this cancellation order. The existing stocks section of the April 2022 notice of receipt contained specific language pertaining to one specific product (not the chlorpyrifos products) and other language “for all other voluntary cancellations listed in the notice.” 87 FR 25259. That language provided broad existing stocks provisions due to the Agency’s conclusion that there were “no significant potential risk concerns associated with those pesticide products.” *Id.* In using somewhat standard language for a voluntary cancellation notice, EPA failed to specify a different existing stocks provision for the chlorpyrifos products in the notice, for which tolerances were revoked due to EPA’s conclusion that chlorpyrifos tolerances were not safe. See 87 FR 11222. FIFRA section 6(a)(1) gives EPA the discretion to permit the continued sale and use of existing stocks, where doing so is determined to be consistent with the purposes of FIFRA. 7 U.S.C. 136d(a)(1). In the case of the chlorpyrifos registrations subject to this order, without tolerances in place to cover residues from use of these products, these products may not be used on food, nor may they be sold or distributed. Allowing for continued use or sale would not be consistent with FIFRA; therefore, EPA is not allowing for continued sale, distribution, or use of chlorpyrifos products listed above.

III. The Cancellation Order

Pursuant to FIFRA section 6(f) (7 U.S.C. 136d(f)(1)), EPA hereby approves the requested cancellations of the registrations identified in Table 1 of Unit I. Accordingly, the Agency hereby orders that the product registrations identified in Table 1 of Unit I. are cancelled.

The cancellations and amendments addressed in this Order are effective August 31, 2022. Any distribution, sale, or use of existing stocks of the products

identified in Table 1 of Unit I. in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI. will be a violation of FIFRA.

IV. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products that are currently in the United States and that were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. The language regarding the intended disposition of existing stocks that published in the **Federal Register** on April 28, 2022 (87 FR 25256) (FRL-9723-01-OCSPP) on page 25259 is not appropriate for application to the pesticide products subject to this Order.

None of the registrants listed in this order have requested any continued sale or distribution of existing stocks of the registrations subject to this cancellation order nor have they requested special provisions to relabel the products listed in this order. Because of that and because chlorpyrifos tolerances have been revoked and use of chlorpyrifos renders food adulterated, all sale, distribution, and use of the chlorpyrifos products identified in Table 1 of Unit I. is prohibited, except for export consistent with FIFRA section 17, 7 U.S.C. 136o or for proper disposal.
