#### Certain Steel Nails From the People's Republic of China: Final Results of the Antidumping Duty Administrative Review and Final Determination of No Shipments; 2020-2021

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) determines that eleven companies subject to this review had no shipments of certain steel nails (nails) from the People's Republic of China (China) during the period of review (POR) August 1, 2020, through July 31, 2021. Further, Commerce finds that any company potentially subject to individual or non-individual examination under this review failed to establish its eligibility for a separate rate and all entries of subject merchandise during the POR are subject to the China-wide entity rate.

**DATES:** Applicable September 2, 2022.

**FOR FURTHER INFORMATION CONTACT:** Zachariah Hall, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6261.

### SUPPLEMENTARY INFORMATION:

#### Background

On May 9, 2022, Commerce published the preliminary results of the 2020-2021

administrative review of the antidumping duty order on nails from China<sup>1</sup> and invited comments from interested parties.<sup>2</sup> No interested party commented. We preliminarily found that that no company subject to this administrative review has established its eligibility for a separate rate and, therefore, aside from the 11 companies which we found made no shipments of subject merchandise during the POR, Commerce considers all other companies for which a review was requested, and which did not demonstrate separate rate eligibility, to be part of the China-wide entity.

### Scope of the Order

The products covered by the *Order*<sup>3</sup> are nails from China. For a complete description of the scope, see the Preliminary Decision Memorandum.<sup>4</sup>

### China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.<sup>5</sup> Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the China-wide entity.<sup>6</sup> Because no party requested a review of the China-wide entity in this review, the China-wide entity is not under review and the China-wide entity's rate (*i.e.*, 118.04 percent) is not subject to change as a result of this review.<sup>7</sup>

### Final Results of Review

In the *Preliminary Results*, Commerce determined that 11 companies under review had no shipments of subject merchandise during the POR.<sup>8</sup> We received no
