SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-95651; File No. 10-239]

In the Matter of the Application of 24X National Exchange LLC for Registration as a National Securities Exchange; Order Instituting Proceedings To Determine Whether To Grant or Deny an Application for Registration as a National Securities Exchange Under Section 6 of the Securities Exchange Act of 1934

September 1, 2022.

I. Introduction

On March 25, 2022, 24X National Exchange LLC ("24X" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a Form 1 application under the Securities Exchange Act of 1934 ("Act"), seeking registration as a national securities exchange under Section 6 of the Act.¹ Notice of the application was published for comment in the *Federal Register* on June 6, 2022.² The Commission received

three comments on the application.³ As discussed further below, the commenters stated that 24X's application does not include sufficient information about several aspects of its proposed operation.⁴ One commenter stated that the application "does not meet the legal and administrative requirements" under the Act.⁵ Another commenter questioned whether "24X has the necessary structure and checks in place to protect investors and ensure a fair and orderly market" and stated that certain elements of 24X's proposal were not sufficiently described and that additional information was required to evaluate the proposal.⁶ This commenter stated that 24X "contemplates trading concepts that have not been tested within the U.S. equities markets" and that the application raises a number of questions "including how its new exchange will interact with the current trading ecosystem."⁷ Another commenter stated that the 24X Form 1 should not be approved because the regulatory infrastructure necessary to support its proposed trading system does not yet exist.⁸

Section 19(a)(1) of the Act⁹ requires the Commission, within ninety days of the date of publication of notice of an application for registration as a national securities exchange, or such longer period as to which the applicant consents, to, by order, grant such registration¹⁰ or institute proceedings to determine whether such registration should be denied.¹¹ This order is instituting proceedings under Section 19(a)(1)(B) of the Act¹² to determine whether 24X's application for registration as a national securities exchange should be granted or denied, and provides notice of the grounds for denial under consideration by the Commission, as set forth below.
