Because Saha Thai's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties.⁸

Commerce's "reseller policy" will apply to entries of subject merchandise during the POR produced by Saha Thai for which Saha Thai did not know that the merchandise they sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁹
