I. Background

In accordance with the Privacy Act of 1974, 5 U.S.C. 552a, the Department of Transportation (DOT)/Federal Aviation Administration (FAA) proposes to rescind DOT system of records titled, "DOT/FAA 822—Aviation Medical Examiner System," 65 FR 19522 (April 11, 2000). This system of records was established to determine professional qualifications and designation authorization (initial and subsequent) of Aviation Medical Examiners (AME). The categories of records included records necessary to determine professional qualifications of physicians

designated (initially and subsequently) as AMEs; identify the type and location of AMEs within the AME program; monitor AMEs performance in support of the Medical Certification Program; and monitor AMEs compliance with mandatory training (initial and periodic) and other AME designation requirements. The authority for maintenance of the system was 49 U.S.C. 44702. Records previously covered by DOT/FAA 822 will be managed according to the updated DOT/FAA 830, *Representatives of the Administrator*. Consolidation of the Notices ensures consistency in the Privacy Act management of all designee records. Consequently, rescinding SORN 822 will have no adverse impact on individuals. Rescinding will promote the overall streamlining and management of DOT Privacy Act systems of records.
