Overview of This Information Collection

Title: Customs-Trade Partnership Against Terrorism (CTPAT) and CTPAT Trade Compliance Program.

OMB Number: 1651-0077.

Form Number: N/A.

Current Actions: Revision of an existing information collection.

Type of Review: Revision.

Affected Public: Businesses.

Abstract: The CTPAT Program comprises of two different program divisions, CTPAT Security and CTPAT Trade Compliance. The CTPAT Security program is designed to safeguard the world's trade industry from terrorists and smugglers by prescreening its participants. The CTPAT Security program applies to United States and nonresident Canadian importers, United States exporters, customs brokers, consolidators, ports and terminal operators, carriers of cargo in air, sea and land, third party logistics providers, Mexican long haul highway carriers,

and Canadian and Mexican manufacturers. The Trade Compliance program division is only available for U.S. and nonresident Canadian importers.

The CTPAT Program application requests an applicant's contact and business information, including the number of company employees, the number of years in business, and a list of company officers. CBP is adding the following data elements for all CTPAT partners to improve the screening of companies. This will ensure that CBP is confident that companies in the program are low risk:

- Date of Birth (DOB)
- Country of Birth
- Country of Citizenship
- Travel Document number (*e.g.*, visa or passport number)
- Immigration status information (*e.g.*, Alien Registration Number, Naturalization number)
- Driver's license information (*e.g.*, state and country of issuance, number, date of issuance/expiration)
- Social Security Number
- Trusted Traveler membership type and number (*e.g.*, FAST/NEXUS/ SENTRI/Global Entry ID)
- Registro Federal de Contribuyentes (RFC) Persona Fisica (needed for Mexican Foreign Manufacturers, Highway Carriers, and Long-Haul Carriers Only)

This collection of information is authorized by the SAFE Port Act (Pub. L. 109-347).

The CTPAT Trade Compliance program is an optional component of the CTPAT program and adds trade compliance aspects to the supply chain security aspects of the CTPAT Security program. The CTPAT Security program is a prerequisite to applying to the CTPAT Trade Compliance program. Current CTPAT importers are given the opportunity to receive additional benefits in exchange for a commitment to assume responsibility for monitoring their own compliance by applying to the CTPAT Trade Compliance program. After a company has completed the security aspects of the CTPAT Security program and is in good standing, it may opt to apply to the CTPAT Trade Compliance component. The CTPAT Trade Compliance program strengthens security by leveraging the CTPAT supply chain requirements, identifying low-risk trade entities for supply chain security, and increasing the overall efficiency of trade by segmenting risk and processing by account.

The CTPAT Trade Compliance program is open to U.S. and non-resident Canadian importers that have

satisfied both the CTPAT supply chain security and trade compliance requirements.

The CTPAT Trade Compliance program application includes questions about the following:

- Primary Point of Contact including name, title, email address, and phone number

- Trade Compliance Profile and Internal Control Operating Procedures of the applicant
- Broker information
- Training material for Supply Chain Security and Trade Compliance
- Risk Assessment documentation and results
- Period testing documentation and results

- Partner Government Agency affiliation information

After an importer obtains CTPAT Trade Compliance membership, the importer will be required to submit an Annual Notification Letter to CBP confirming that they are continuing to meet the requirements of the program. This letter should include: personnel changes that impact the CTPAT Trade Compliance program; organizational and procedural changes; a summary of risk assessment and self-testing results; a summary of post-entry amendments and/or disclosures made to CBP; and any importer activity changes within the last 12-month period.

ACTION: Request for information.

SUMMARY: In its 2022–2026 Strategic Plan, the Department established strategic goals to “Support Underserved Communities” and to “Promote Homeownership.” Among the goal of supporting underserved communities is to advance housing justice and proactively strengthen and protect vulnerable and underserved communities.
