SUPPLEMENTARY INFORMATION:

Agenda

The Scientific and Statistical Committee will meet to review information provided by the Council's Groundfish Plan Development Team (PDT), results of the recent management track stock assessments and peer review. Using the Council's acceptable biological catch (ABC) control rules, recommend the overfishing levels (OFL) and the ABCs for each stock for fishing years 2023, 2024 and 2025 for the following stocks: Georges Bank (GB) haddock, Gulf of Maine (GOM) haddock, Southern New England/Mid-Atlantic yellowtail flounder, Cape Cod/GOM yellowtail flounder, GB winter flounder, GOM winter flounder, American plaice, white hake, pollock, and Atlantic halibut, and receive an update on the development of ABC control rule alternatives under consideration for the Northeast Multispecies (Groundfish) Fishery Management Plan. Also on the agenda is to review the information provided by the Council's Monkfish PDT, results of the recent management track stock assessment, and peer review, and recommend the overfishing levels (OFL) and the acceptable biological catches for the northern and southern monkfish management areas for fishing years 2023-2025 and recommend an approach for setting the discard deduction from the annual catch target for setting specifications for the monkfish fishery for fishing years 2023-2025. They will consider other business as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has

been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
