

3040.132, 39 CFR 3045.18, and contemplated by the Commission in Order No. 6080. Among other deficiencies, the Request does not include a supporting justification that provides information sufficient to perform a market power analysis, explain why USPS Connect Local Mail is or is not covered by the postal monopoly, provide a description of the private businesses engaged in the delivery of the product or of the likely impact on small businesses, or give the views of users of the product. See 39 CFR 3040.132. In short, the Request fails to “include such information and data, and such statements of reasons and bases, as are necessary and appropriate to fully inform the Commission of the nature, scope, significance, and impact of the proposed modification.” *Id.*, (i).

Further, by rule the Postal Service is required to file its request at least 60 days before it wishes for the Commission to make its determination. See 39 CFR 3045.18(d)(2)(ii). This date is predicated on the Postal Service providing complete information to facilitate comment by interested parties and a fulsome review by the Commission itself. In the absence of such information, a complete analysis and decision within 60 days is not possible.<sup>5</sup>

Because the Request does not contain the information required by law and necessary for the Commission to determine the appropriateness of converting USPS Connect Local Mail to a permanent product offering, the Commission shall dismiss the Request without prejudice to the Postal Service to file a compliant request.

### III. Ordering Paragraphs

*It is ordered:*

1. The United States Postal Service Request to Convert USPS Connect Local Mail to a Permanent Offering, filed October 11, 2022, does not meet the statutory and regulatory requirements of a request to convert the experimental product to a permanent product offering.

2. The Commission cannot approve the USPS Connect Local Mail product as a permanent product offering based upon the record before it.

3. The Commission hereby dismisses, without prejudice, the United States Postal Service Request to Convert USPS Connect Local Mail to a Permanent Offering, filed October 11, 2022.

<sup>5</sup> It should also be noted that the current market test’s expiration date of January 8, 2024, appears to allow the Postal Service the opportunity to both provide services without interruption to customers and time to collect more complete volume, revenue, and cost test data.

4. The Secretary shall arrange for publication of this Order in the **Federal Register**.

By the Commission.
