BILLING CODE 7555-01-P

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-38, OMB Control No. 3235-0045]

Proposed Collection; Comment Request; Extension: Rule 19b-4 and Form 19b-4

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 19b-4 (17 CFR 240.19b-4), under the Securities Exchange Act of 1934 ("Act") (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 19(b) of the Act (15 U.S.C. 78s(b)) requires each self-regulatory organization ("SRO") to file with the Commission copies of any proposed rule, or any proposed change in, addition to, or deletion from the rules of such SRO. Rule 19b-4 implements the requirements of Section 19(b) by requiring the SROs to file their proposed rule changes on Form 19b-4 and by clarifying which actions taken by SROs are subject to the filing requirement set forth in Section 19(b). Rule 19b-4(n) requires a designated clearing agency to provide the Commission advance notice ("Advance Notice") of any proposed

change to its rules, procedures, or operations that could materially affect the nature or level of risks presented by such clearing agency. Rule 19b-4(o) requires a registered clearing agency to submit for a Commission determination any security-based swap, or any group, category, type, or class of security-based swaps it plans to accept for clearing ("Security-Based Swap Submission"), and provide notice to its members of such submissions.

The collection of information is designed to provide the Commission with the information necessary to determine, as required by the Act, whether the proposed rule change is consistent with the Act and the rules thereunder. The information is used to determine if the proposed rule change should be approved, disapproved, suspended, or if proceedings should be instituted to determine whether to approve or disapprove the proposed rule change.

The respondents to the collection of information are SROs (as defined by Section 3(a)(26) of the Act),¹ including national securities exchanges, national securities associations, registered clearing agencies, notice registered securities future product exchanges, and the Municipal Securities Rulemaking Board.

In calendar year 2021, each respondent filed an average of approximately 34 proposed rule changes. Each filing takes approximately 32 hours to complete on average. Thus, the total annual reporting burden for filing proposed rule changes with the Commission is 50,048 hours (34 proposals per year × 46 SROs × 32 hours per filing) for the estimated future number of 46 SROs.² In addition to filing their proposed rule changes with the Commission, the respondents also are required to post each of their proposals on their respective websites, a process that takes approximately four hours to complete per proposal. Thus, the total annual reporting burden on respondents to post the proposals on their websites is 6,256 hours (34 proposals per year × 46 SROs × 4 hours per filing) for the estimated future number of 46 SROs. Further, the respondents are required to update their rulebooks, which they maintain on their websites, to reflect the changes that they

¹ 15 U.S.C. 78c(a)(26).

² Currently, there are 43 SROs, though not all of those SROs filed a proposed rule change in 2021. The Commission expects three additional respondents to register during the three-year period for which this Paperwork Reduction Act extension is applicable (one as a registered clearing agency and two as national securities exchanges), bringing the total number of respondents to 46.
