SUPPLEMENTARY INFORMATION:

Background

Section 604 of the Manufactured Housing Improvement Act of 2000 (Pub. L. 106-569) amended the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5401-5426) (the Act) to require the establishment of the Manufactured Housing Consensus Committee (MHCC), a federal advisory committee, to: (1) provide periodic recommendations to the Secretary to adopt, revise, and interpret the manufactured housing construction and safety standards; and (2) provide periodic recommendations to the Secretary to adopt, revise, and interpret the procedural and enforcement manufactured housing regulations. The Act authorizes the Secretary to appoint a total of twenty-two members to the MHCC. Twenty-one members have voting rights; the twenty-second member represents the Secretary

and is a non-voting position. Service on the MHCC is voluntary. Travel and per diem for meetings is provided in accordance with federal travel policy pursuant to 5 U.S.C. 5703.

HUD encourages nominations of highly qualified and motivated individuals of diverse backgrounds, interests, and experience, who meet the requirements set forth in the Act to serve as voting members of the MHCC for up to two terms of three years. The MHCC expects to meet at least one to two times annually. Meetings may take place by conference call, virtually, or in person. Members of the MHCC undertake additional work commitments on subcommittees and task forces regarding issues under deliberation.

Nominee Selection and Appointment

Members of the MHCC are appointed to serve in one of three member categories. Nominees will be appointed to fill voting member vacancies in the following categories:

1. *Producers*—Seven individuals from producers or retailers of manufactured housing.
2. *Users*—Seven individuals representing consumer interests, such as consumer organizations, recognized consumer leaders, and owners who are residents of manufactured homes.
3. *General Interest and Public Officials*—Seven general interest and public official members.

The Act provides that the Secretary shall ensure that all interests directly and materially affected by the work of the MHCC have the opportunity for fair and equitable participation without dominance by any single interest. The Secretary may reject the appointment of any one or more individuals to ensure that there is not dominance by any single interest. For purposes of this determination, dominance is defined as a position or exercise of dominant authority, leadership, or influence by reason of superior leverage, strength, or representation.

Additional requirements governing appointment and member service include:

(1) Nominees appointed to the User category and three of the individuals appointed to the General Interest and Public Official category shall not have a significant financial interest in any segment of the manufactured housing industry or a significant relationship to any person engaged in the manufactured housing industry.

(2) Each member serving in the User category shall be subject to a ban disallowing compensation from the manufactured housing industry during

the period of, and during the one year following, his or her membership on the MHCC.

(3) Nominees selected for appointment to the MHCC shall be required to provide disclosures and certifications regarding conflict-of-interest and eligibility for membership prior to finalizing an appointment.

All selected nominees will be required to submit certifications of eligibility under the foregoing criteria as a prerequisite to final appointment.

Consensus Committee—Advisory Role

The MHCC's role is solely to advise the Secretary on the subject matter described above.

Federal Advisory Committee Act

The MHCC is subject to the requirements of the Federal Advisory Committee Act (5 U.S.C. Appendix), 41 CFR parts 101-6 and 102-3 (the FACA Final Rule), and to the Presidential Memorandum, dated June 18, 2010, directing all heads of executive departments and agencies not to make any new appointments or reappointments of federally registered lobbyists to advisory committees and other boards and commissions. The June 18, 2010, Presidential Memorandum authorized the Director of the Office of Management and Budget (OMB) to issue guidance to implement this policy. On August 13, 2014, OMB issued guidance (79 FR 47482) regarding the prohibition against appointing or re-appointing federally registered lobbyists to clarify that the ban applies to persons serving on advisory committees, boards, and commissions in their individual capacity and does not apply if they are specifically appointed to represent the interests of a nongovernmental entity, a recognizable group of persons or nongovernmental entities (an industry sector, labor unions, environmental groups, etc.), or state or local governments.¹

Term of Office

MHCC members serve at the discretion of the Secretary or for a three-year term, up to two terms.

Nominee Information

Individuals seeking nomination to the MHCC should submit detailed information documenting their qualifications as addressed in the Act and this notice. In furtherance of Executive Order 14035, *Executive Order on Diversity, Equity, and Inclusion, and Accessibility in the Federal Workforce* (E.O. 14035, 86 FR 34593), HUD seeks

¹ 79 FR 47482.

for the MHCC to reflect the diversity of stakeholders in the housing market. The application website listed above, therefore, contains questions to elicit demographic information. Applicants may briefly summarize why they want to be a member of the MHCC and include unique skills, knowledge, and experiences that they would bring to inform the work of the committee. Individuals may nominate themselves. HUD recommends that the application be accompanied by a resume.

Additional Information

The Department will make appointments and reappointments from nominations submitted in response to this notice. To be considered for appointment to a position of an MHCC member whose term will expire in December of 2022 or to fill any MHCC vacancy that currently exists, the nomination must be submitted by December 27, 2022. Appointments will be made at the discretion of the Secretary.

Julia R. Gordon,

Assistant Secretary for Housing—Federal Housing Commissioner.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Housing Choice Voucher (HCV) Program, Project-based Voucher (PBV) Program and Tribal HUD-VASH.

OMB Approval Number: 2577-0169.

Type of Request: Reinstatement, with change of previously approved collection for which approval has expired.

Form Numbers: HUD-50164, HUD-52515, HUD-52517, HUD-52530A Part 1, HUD-52530A Part 2, HUD-52530B Part 1, HUD-52530B Part 2, HUD-52530C, HUD-52531A, HUD-52531B, HUD-52578B, HUD-52580, HUD-52580A, HUD-52641, HUD-52641A, HUD-52642, HUD-52646, HUD-52649, HUD-52665, HUD-52667, HUD-5980.

Description of the need for the information and proposed use:

Public housing agencies (PHAs) assist very low-income families to lease housing on the private rental market. PHAs maintain records on participant eligibility, unit acceptability, housing assistance payments, and budget and payment documentation. PHAs may also project-base a portion of their

vouchers or use their vouchers under the Homeownership option.

When new funding is available, PHAs provide information on their qualifications and experience to administer additional vouchers or provide specific funded services and HUD scores applications based on the information required in the funding notice. The PHAs must establish a utility allowance schedule for all utilities and other services. Units must be inspected using HUD-prescribed forms to determine if the units meet the Housing Quality Standards (HQS) of the Housing Choice Voucher (HCV) program. After the PHA provides a briefing and information packet to the family, the PHA issues the family a voucher to search for a unit. When the family finds a unit, they submit a Request for Tenancy Approval when it finds a suitable unit for its needs. With approval from the PHA, the family may move to another unit with continued assistance using the same forms and process already described. If the family exercises their right to transfer and “port” out of the PHA’s jurisdiction, the initial PHA will use a standardized form to submit portability information to the receiving PHA who will also use the form for monthly portability billing. PHAs and owners will enter into a Housing Assistance Payment (HAP) contract that provides information on rents, payments, certifications, notifications, and other HCV requirements. A Tenancy Addendum for the HCV program is included in the HAP contract as well as incorporated in the lease between the owner and the family. Families that participate in the Homeownership option will execute a statement regarding their responsibilities and execute contracts of sale including an additional contract of sale for new construction units.

PHAs participating in the Project Based Voucher (PBV) program will enter into Agreements with owners for developing projects, HAP contracts with owners of existing housing and new construction/rehabilitation projects, and a Statement of Family Responsibilities with the family. A lease addendum is executed between the family and the owner of a PBV project.

This information collection also includes the Tribal HUD-VA Supportive Housing Program (Tribal HUD-VASH), which provides rental assistance and supportive services to Native American veterans who are homeless or at risk of homelessness living on or near a reservation or other Indian areas. Housing assistance under this program is made available by grants to tribes and Tribally Designated
