

Each RSTAC member is appointed for a term of three years. No member will be eligible to serve in excess of two consecutive terms. However, a member may serve after the expiration of his or her term until a successor has taken office.

Due to the departure of a small shipper representative and the expiration of the second term of a small railroad representative, the Board is seeking to fill those two RSTAC positions. Nominations for candidates to fill the vacancies should be submitted in letter form, identifying the name of the candidate, providing a summary of why the candidate is qualified to serve on RSTAC, and containing a representation that the candidate is willing to serve as an RSTAC member effective immediately upon appointment. Candidates may nominate themselves. The Chair is committed to having a committee reflecting diverse communities and viewpoints and strongly encourages the nomination of candidates from diverse backgrounds. RSTAC candidate nominations should be filed with the Board by November 30, 2022. Members selected to serve on RSTAC are chosen at the discretion of the Board Chair. Please note that submissions will be posted on the Board's website under Docket No. EP 526 (Sub-No. 15) and can also be obtained by contacting the Office of Public Assistance, Governmental Affairs, and Compliance at [RCPA@stb.gov](mailto:RCPA@stb.gov) or (202) 245-0238.

Authority: 49 U.S.C. 1325.

Decided: October 26, 2022.

The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the

subject property will result in the land at the Malden Regional Airport & Industrial Park (MAW) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances in order to sell the land. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation use.

### National Highway Traffic Safety Administration

[Docket No. NHTSA-2021-0095; Notice 2]

#### Continental Tire the Americas, LLC, Grant of Petition for Decision of Inconsequential Noncompliance

**AGENCY:** National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

**ACTION:** Grant of petition.

**SUMMARY:** Continental Tire the Americas, LLC, (CTA) has determined that certain Continental motorcycle tires do not fully comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 119, *New Pneumatic Tires for Motor Vehicles with a GVWR of More Than 4,536 Kilograms (10,000 Pounds), Specialty Tires, and Tires for Motorcycles*. CTA filed a noncompliance report dated December 2, 2021, and subsequently petitioned NHTSA on December 22, 2021, for a decision that the subject noncompliance is inconsequential as it relates to motor vehicle safety. This notice announces the grant of CTA's petition.

**FOR FURTHER INFORMATION CONTACT:** Jayton Lindley, General Engineer,

NHTSA, Office of Vehicle Safety Compliance, telephone (325) 655-0547.

#### SUPPLEMENTARY INFORMATION:

##### I. Overview

CTA has determined that certain Continental motorcycle tires from several different tire lines do not fully comply with the requirements of paragraph S6.5(b) of FMVSS No. 119, *New Pneumatic Tires for Motor Vehicles with a GVWR of More Than 4,536 Kilograms (10,000 Pounds)* (49 CFR 571.119). CTA filed a noncompliance report dated December 2, 2021, pursuant to 49 CFR part 573, *Defect and Noncompliance Responsibility and Reports*. CTA subsequently petitioned NHTSA on December 22, 2021, for an exemption from the notification and remedy requirements of 49 U.S.C. Chapter 301 on the basis that this noncompliance is inconsequential as it relates to motor vehicle safety, pursuant to 49 U.S.C. 30118(d) and 30120(h) and 49 CFR part 556, *Exemption for Inconsequential Defect or Noncompliance*.

This notice of receipt of CTA's petition is published under 49 U.S.C. 30118 and 30120 and does not represent any Agency decision or other exercise of judgment concerning the merits of the petition.

Notice of receipt of CTA's petition was published with a 30-day public comment period, on April 13, 2022, in the **Federal Register** (87 FR 22022). No comments were received. To view the petition and all supporting documents log onto the Federal Docket Management System (FDMS) website at <https://www.regulations.gov/>. Then follow the online search instructions to locate docket number "NHTSA-2021-0095."

##### II. Tires Involved

Approximately 14,198 Continental motorcycle tires, size 100/80-16 M/C 50P, manufactured between July 2, 2018, and September 24, 2020, are potentially involved.

##### III. Noncompliance

CTA explains the noncompliance is that the tires contain symbols in the tire identification number (TIN) that are not allowed and, therefore, do not meet the requirements of 49 CFR 574.5(f) which results in a noncompliance with paragraph S6.5(b) of FMVSS No. 119. Specifically, the sidewalls of the subject tires are marked with a TIN that may contain one of the following unauthorized symbols: G, I, O, Q, S, and Z.
