Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Reporting and Recordkeeping Requirements Associated with Regulation L.

Collection identifier: FR L.

OMB control number: 7100-0378.

Frequency: Event-generated.

Respondents: State member banks, bank holding companies (BHCs), and savings and loan holding companies (SLHCs).

Estimated number of respondents: Reporting, 2; recordkeeping, 2.

Estimated average hours per response: Reporting, 4; recordkeeping, 3.

Estimated annual burden hours: Reporting, 8; recordkeeping, 6.

General description of collection: The Depository Institution Management Interlocks Act (DIMIA) generally

¹⁶ 5 U.S.C. 552(b)(8).

¹⁷ 5 U.S.C. 552(b)(4).

prohibits management officials from serving simultaneously with two unaffiliated depository organizations (*i.e.*, depository institutions and depository institution holding companies), but allows for exemptions from the prohibition in certain circumstances. The FR L information collection accounts for the reporting and recordkeeping requirements associated with implementation of DIMIA.

Legal authorization and confidentiality: The FR L is authorized by sections 205 and 209 of the DIMIA, as amended.¹ The FR L is required to obtain a benefit.

Information submitted to the Board under the reporting requirements associated with the FR L is not considered confidential unless an applicant requests confidential treatment in accordance with the Board's Rules Regarding Availability of Information.² Requests for confidential treatment of information are reviewed on a case-by-case basis. Information provided to the Board under the FR L's reporting requirements may be nonpublic commercial or financial information, which is both customarily and actually treated as private by the respondent, which is protected from disclosure pursuant to exemption 4 of the Freedom of Information Act (FOIA).³ Submissions to the Board under these requirements may also contain personnel and medical files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, which are protected under exemption 6 of the FOIA.⁴

Information covered by the recordkeeping requirements associated with the FR L is maintained at the relevant banking organization. The FOIA would therefore only be implicated if the Board obtained such records as part of the examination or supervision of a banking organization. In the event the records are obtained by the Board as part of an examination or supervision of a financial institution, this information would be considered confidential pursuant to exemption 8 of

the FOIA, which protects information contained in "examination, operating, or condition reports" obtained in the bank supervisory process.⁵ Information covered by the FR L's recordkeeping requirements may also be protected from disclosure under exemption 4 or 6 of the FOIA, depending on the contents of the information.⁶

Consultation outside the agency: The Board consulted with the Federal Deposit Insurance Corporation and the Office of the Comptroller of the Currency, the other agencies with responsibilities related to these requirements associated with DIMIA, to confirm alignment of the burden estimates.

Board of Governors of the Federal Reserve System, November 1, 2022.

Michele Taylor Fennell,

Deputy Associate Secretary of the Board.
