

continue current facility operations throughout LLNL in support of assigned missions. The No-Action Alternative includes previously approved construction of new facilities; modernization, upgrade, and utility projects; and decontamination, decommissioning, and demolition of excess and aging facilities through 2022.

The Proposed Action includes the scope of the No-Action Alternative and an increase in current facility operations or enhanced operations that may require new or modified facilities and that are reasonably foreseeable over the next 15 years. Continued re-investment in site infrastructure would allow LLNL to meet mission deliverables and sustain science, technology, and engineering

excellence to respond to future national security challenges. The Proposed Action includes 75 new projects, totaling 3.3 million square feet, between 2023 and 2035. This comprises 61 proposed projects, totaling 2.9 million square feet, at LLNL's main site in Livermore, California and 14 proposed projects, totaling 385,000 square feet, at LLNL's remote testing site, Site 300, near Tracy, California. In addition, NNSA proposes 20 types of modernization, upgrade, and utility projects, each involving several facilities. Under the Proposed Action, NNSA would also decontaminate, decommission, and demolish 150 facilities, totaling 1,170,000 square feet. NNSA proposes operational changes

that would increase the tritium emission limits in the National Ignition Facility (Building 581) and the Tritium Facility (Building 331), decrease the administrative limit for fuels-grade-equivalent plutonium in the Superblock (Building 332), increase the administrative limits for plutonium-239 at Building 235, and revise the National Ignition Facility radioactive materials administrative limits to be consistent with DOE's Facility Hazard Categorization Standard (DOE-STD-1027).

NNSA will hold three public hearings (two in-person and one virtual) to receive comments on the Draft LLNL SWEIS:

Date and time	Location	Address
December 7, 2022; 6:00–8:30 p.m. p.s.t	Garré Vineyard & Winery	7986 Tesla Road, Livermore, CA 94550.
December 8, 2022; 6:00–8:30 p.m. p.s.t	Tracy City Hall, City Council Chambers	333 Civic Center Drive, Tracy, CA 95376.

For the in-person hearings, NNSA will hold an Open House from 6:00 p.m. until 6:30 p.m. to provide the public with an opportunity to engage with NNSA personnel and ask questions about the Draft SWEIS and NNSA activities at LLNL. Following the Open House, NNSA will make a presentation on the Draft SWEIS lasting approximately 20-minutes, then answer any clarifying questions on the presentation. Following this presentation, NNSA will receive formal public comments with transcription by a court stenographer. NNSA will not answer questions during the formal public comment period.

In addition to the two in-person hearings, NNSA will hold an on-line virtual public hearing. The date and time of the virtual public hearing will be announced at least 15 days before the hearing, access instructions will be published in local newspapers, posted on social media platforms, and available on the following websites: <https://www.energy.gov/nnsa/nnsa-nepa-reading-room> and <https://www.energy.gov/nepa/listings/latest-documents-and-notices>.

Following the public comment period, and after consideration of comments received, NNSA will prepare a Final LLNL SWEIS. NNSA will announce the availability of the Final LLNL SWEIS in the **Federal Register** and local media outlets. Following completion of the Final LLNL SWEIS, NNSA intends to decide how operations will be conducted at LLNL, including construction and operation of new facilities, modification and upgrade of existing facilities and utilities,

operational changes, and/or decontamination, decommission and demolition of excess and aging facilities. These decisions will be provided in an NNSA Record of Decision published in the **Federal Register**, which would be issued no sooner than 30 days after publication by the Environmental Protection Agency of the notice of availability of the Final LLNL SWEIS.
