

and under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and 17(a)(2) of the Act.

**SUMMARY OF APPLICATION:** Applicants request an order (“Order”) that permits: (a) The Funds (as defined below) to issue shares (“Shares”) redeemable in large aggregations only (“creation units”); (b) secondary market transactions in Shares to occur at negotiated market prices rather than at net asset value; (c) certain Funds to pay redemption proceeds, under certain circumstances, more than seven days after the tender of Shares for redemption; and (d) certain affiliated persons of a Fund to deposit securities into, and receive securities from, the Fund in connection with the purchase and redemption of creation units. The relief in the Order would incorporate by reference terms and conditions of the same relief of a previous order granting the same relief sought by applicants, as that order may be amended from time to time (“Reference Order”).<sup>1</sup>

**APPLICANTS:** J.P. Morgan Exchange-Traded Fund Trust, J.P. Morgan Investment Management Inc. and JPMorgan Distribution Services, Inc.

**FILING DATES:** The application was filed on September 6, 2022 and amended on October 27, 2022.

**HEARING OR NOTIFICATION OF HEARING:** An order granting the requested relief will be issued unless the Commission orders a hearing. Interested persons may request a hearing on any application by emailing the Commission’s Secretary at *Secretaries-Office@sec.gov* and serving applicants with a copy of the request by email, if an email address is listed for the relevant applicant below, or personally or by mail, if a physical address is listed for the relevant applicant below. Hearing requests should be received by the Commission by 5:30 p.m. on November 28, 2022, and should be accompanied by proof of service on applicants, in the form of an affidavit or, for lawyers, a certificate of service. Pursuant to rule 0–5 under the Act, hearing requests should state the nature of the writer’s interest, any facts bearing upon the desirability of a hearing on the matter, the reason for the request, and the issues contested. Persons who wish to be notified of a hearing may request notification by emailing the Commission’s Secretary.

**ADDRESSES:** The Commission: *Secretaries-Office@sec.gov*. Applicants: Gregory S. Samuels, J.P. Morgan Investment Management Inc., 4 New

York Plaza, New York, New York 10004; Jon S. Rand, Esq., Allison M. Fumai, Esq., Dechert LLP, 1095 Avenue of the Americas, New York, New York 10036.

funded activities do not provide support to entities or individuals deemed to be a risk to national security.

### Methodology

The State Department has implemented a Risk Analysis and Management Program to vet potential contractors and grantees seeking funding from the Department of State to mitigate the risk that such funds might benefit entities or individuals who present a national security risk. To conduct this vetting program the Department collects information from contractors, subcontractors, grantees and sub-grantees regarding their directors, officers and/or key employees through mail, fax or electronic submission. The information collected is compared to information gathered from commercial, public, and U.S. government databases to determine the risk that the applying organization, entity or individual might use Department funds or programs in a way that presents a threat to national security. This program is consistent with Section 7034(f) of the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2022 (Div. K, Pub. L. 117–103) and similar provisions in prior appropriations acts.

Michael Derrios,

Procurement Executive, Bureau of Administration, Department of State.

## DEPARTMENT OF TRANSPORTATION

### Federal Aviation Administration

[Docket No. FAA–2022–1326]

### FAA Contract Tower Competitive Grant Program; FY 2023 Funding Opportunity

**AGENCY:** Federal Aviation Administration (FAA), Department of Transportation (DOT).

**ACTION:** Notice of funding opportunity.

**SUMMARY:** The Department of Transportation (DOT), Federal Aviation Administration (FAA), announces the opportunity to apply for \$20 million in FY 2023 Airport Infrastructure Grant funds for the FAA Contract Tower (FCT) Competitive Grant Program, made available under the Infrastructure Investment and Jobs Act of 2021, herein referred to as the Bipartisan Infrastructure Law (BIL). The purpose of the FCT Competitive Grant Program is to make annual grants available to

eligible airports for airport-owned airport traffic control tower (ATCT) projects that address the aging infrastructure of the nation's airports. In addition, the FCT Competitive Grant Program will align with DOT's Strategic Framework FY2022–2026 at [www.transportation.gov/administrations/office-policy/fy2022-2026-strategic-framework](http://www.transportation.gov/administrations/office-policy/fy2022-2026-strategic-framework).

**DATES:** Airport sponsors that wish to be considered for FY 2023 FCT Competitive Grant Program funding should submit an application that meets the requirements of this NOFO as soon as possible, but no later than 5:00 p.m. Eastern time, December 6, 2022.

**ADDRESSES:** Submit applications electronically at <https://www.faa.gov/bil/airport-infrastructure/fct> per instructions in this NOFO.

**FOR FURTHER INFORMATION CONTACT:**

Robin K. Hunt, Manager, BIL Implementation Team, FAA Office of Airports, at (202)267–3263 or our FAA BIL email address: 9-ARP-BILAirports@faa.gov.

**SUPPLEMENTARY INFORMATION:** The FY 2023 FCT Competitive Grant Program will be implemented consistent with law and in alignment with the priorities in Executive Order 14052, *Implementation of the Infrastructure Investments and Jobs Act* (86 FR 64355), which are to invest efficiently and equitably, promote the competitiveness of the U.S. economy, improve job opportunities by focusing on high labor standards, strengthen infrastructure resilience to all hazards, including climate change, and to effectively coordinate with State, local, Tribal, and territorial government partners. Airports that submitted projects under the FY 2023 Airport Terminal Program NOFO (87 FR 58897), that meet the eligibility requirements outlined in C.1., do not need to resubmit under this NOFO.

### A. Program Description

BIL established the FCT Competitive Grant Program, a competitive discretionary grant program, which provides \$20 million in grant funding annually for five years (Fiscal Years 2022–2026) to sustain, construct, repair, improve, rehabilitate, modernize, replace, or relocate nonapproach control towers; acquire and install air traffic control, communications, and related equipment to be used in those towers; and construct a remote tower certified by the FAA including acquisition and installation of air traffic control, communications, or related equipment. This program also supports the President's goals to mobilize American ingenuity to build modern infrastructure

and an equitable, clean energy future. In support of Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government* (86 FR 7009), the FAA encourages applicants to consider how the project will address the challenges faced by individuals in underserved communities and rural areas, as well as accessibility for persons with disabilities.

The FCT Competitive Grant Program falls under the project grant authority for the Airport Improvement Program (AIP) in 49 United States Code (U.S.C.) § 47104. Per 2 CFR part 200—*Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, the AIP Federal Assistance Listings Number is 20.106, with the objective to assist eligible airports in the development and improvement of a nationwide system that adequately meets the needs of civil aeronautics. The FY 2023 FCT Competitive Grant Program will be implemented consistent with the BIL and in alignment with the priorities in Executive Order 14052, *Implementation of the Infrastructure Investments and Jobs Act* (86 FR 64355), which are to invest efficiently and equitably, promote the competitiveness of the U.S. economy, improve opportunities for good-paying jobs with the free and fair choice to join a union by focusing on high labor standards, strengthen infrastructure resilience to all hazards, including climate change, and to effectively coordinate with State, local, Tribal, and territorial government partners.

Consistent with statutory criteria and Executive Order 14008, *Tackling the Climate Crisis at Home and Abroad* (86 FR 7619), the FAA also seeks to fund projects under the FCT Competitive Grant Program that reduce greenhouse gas emissions and are designed with specific elements to address climate change impacts. Specifically, the FAA is looking to award projects that align with the President's greenhouse gas reduction goals, promote energy efficiency, support fiscally responsible land use and transportation efficient design, support development compatible with the use of sustainable aviation fuels and technologies, increase climate resilience, incorporate sustainable and less emissions-intensive pavement and construction materials as allowable, and reduce pollution.

The FAA will also consider projects that advance the goals of the Executive Orders listed under Section E.2.
