Amendment to Prospective Purchaser Agreement, Anaconda Smelter Superfund Site, Anaconda, Deer Lodge County, Montana

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed agreement; request for public comment.

SUMMARY: Notice is hereby given by the U.S. Environmental Protection Agency (EPA), Region 8, of a proposed

implementing NEPA (40 CFR parts 1500-1508); and DOE NEPA Implementing Procedures and Guidelines (10 CFR part 1021).

amendment to a prospective purchaser agreement originally agreed to in 1994. The 1994 agreement, with the Montana Department of Environmental Quality on behalf of the State of Montana (the "State"), Anaconda-Deer Lodge County, and the Old Works Golf Course Authority, Inc., ("Purchasers"), provided liability protection to the Purchasers in return for the implementation of certain institutional controls such as the Development Permit System, a county zoning system that regulates development in the county, and restrictive covenants limiting the use of certain properties affected by contamination, and also provided for the operation and maintenance of the Old Works Golf Course. The amended agreement, entitled Amendment to Agreement and Covenant Not to Sue, provides for the implementation of updated institutional controls, including an updated Development Permit System and modified restrictive covenants. Other work under the amended agreement includes updated operations and maintenance plans for the Old Works Golf Course, the Residential Attic Abatement Implementation Plan that provides for cleaning of attics, the Interior/Exterior Dust Program that provides for cleanup of contaminated dusts, and the Community Protective Measures Plan, an information program.

DATES: Comments must be submitted on or before December 12, 2022.

ADDRESSES: The proposed agreement and additional background information relating to the agreement will be available upon request. To reduce the risk of COVID-19 transmission, for this action we do not plan to offer hard copy review of the docket. Lead-Based Paint Renovation, Repair and Painting Activities in Target Housing and Child-Occupied Facilities; State of Vermont; Notice of Self-Certification Program Authorization

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This document announces that on October 1, 2022, the State of Vermont was deemed authorized under section 404(a) of the Toxic Substances Control Act (TSCA) to administer and enforce requirements for the lead-based paint pre-renovation education and renovation, repair and painting (RRP) program. This document also announces that the Environmental Protection Agency (EPA) is seeking comment during a 45-day public comment period, and it is providing an opportunity to request a public hearing within the first 15 days of this comment period on whether Vermont's program is at least as protective as the federal program and provides for adequate enforcement. This document also announces that the authorization of the Vermont pre-renovation education and renovation, repair and painting program, which was deemed authorized by regulation and statute, will continue without further notice unless the EPA, based on its own review and/or comments received during the comment period, disapproves the Vermont program application.

DATES: Comments must be received on or before December 27, 2022. In addition, a public hearing request must be submitted on or before November 25, 2022.
