FEDERAL MEDIATION AND CONCILIATION SERVICE

29 CFR Part 1400

RIN 3076–AA21

Rescission of the Code of Professional Conduct for Labor Mediators

AGENCY: Federal Mediation and Conciliation Service.

ACTION: Final rule; rescission of regulation.

SUMMARY: On April 6, 1966, the Federal Mediation and Conciliation Service (FMCS) published a final rule adopting a Code of Professional Conduct for Labor Mediators. After careful review, FMCS finds that this rule is no longer suitable for publication. Therefore, this final rule rescinds the appendix

regarding the Code of Professional Conduct for Labor Mediators.

DATES: This final rule is effective November 15, 2022.

SUPPLEMENTARY INFORMATION:

I. Discussion

In 1964, a Code of Professional Conduct for Labor Mediators was drafted by a Federal-State Liaison Committee and approved by the Federal Mediation and Conciliation Service (FMCS) and the Association of Labor Mediation Agencies. On April 6, 1966,

at 31 FR 5423, the FMCS published a final rule entitled “Appendix to Part 1400—Code of Professional Conduct for Labor Mediators,” which contained the complete narrative of the Code.

After consideration and review, FMCS has concluded that this nearly sixty-year-old Code adopted by the FMCS no longer reflects the agency’s values, scope of services provided by FMCS mediators, or best practices for conflict management and resolution services. Moreover, it addresses employee conduct which is purely an internal agency matter. Therefore, FMCS is issuing this final rule, which rescinds the rule on the Appendix to Part 1400—Code of Professional Conduct for Labor Mediators.

II. Final Rule

FMCS has determined that this rule is suitable for final rulemaking. The revisions to FMCS’ policies and requirements surrounding mediators are purely internal matters of agency management, as well as the agency’s procedure, and practice. Accordingly, FMCS is not required to engage in a notice and comment process to issue this rule under the Administrative Procedures Act, See U.S.C. 553(a)(2), 553(b)(A). Furthermore, because this rule is procedural rather than substantive, the normal requirement of 5 U.S.C. 553(d) that a rule not be effective until at least 30 days after publication in the **Federal Register** is inapplicable. FMCS also finds good cause to provide an immediate effective date for this rule because it imposes no obligations on parties outside the federal government and therefore no advance notice is required to enable employers or other private parties to come into compliance.

Coast Guard

33 CFR Part 165

[Docket Number USCG–2022–0933]

RIN 1625–AA00

Safety Zone; Corpus Christi Shipping Channel, Corpus Christi, TX

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters of the Corpus Christi Shipping Channel in a zone defined by the following coordinates: 27°48’55.07” N, 97°13’15.94” W; 27°48’54.99” N, 97°13’6.74” W; 27°48’44.46” N, 97°13’6.86” W; 27°48’44.54” N, 97°13’16.06” W. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by pipelines that will be removed from the floor of the Corpus Christi Shipping Channel. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Corpus Christi or a designated representative.

DATES: This rule is effective from 9 a.m. through 3 p.m. on November 15, 2022. This rule will be subject to enforcement from 9 a.m. through 3 p.m.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Commander Anthony Garofalo, Sector Corpus Christi Waterways Management Division, U.S. Coast Guard; telephone 361–939–5130, email *CCWaterways@uscg.mil*.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and

opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this safety zone immediately to protect personnel, vessels, and the marine environment from potential hazards created by pipeline removal operations and lack sufficient time to provide a reasonable comment period and then to consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to respond to the potential safety hazards associated with pipeline removal operations in the Corpus Christi Shipping Channel.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with pipeline removal operations occurring from 9 a.m. through 3 p.m. on November 15, 2022, will be a safety concern for anyone within the Corpus Christi Shipping Channel in a zone defined by the following coordinates; 27°48’55.07” N, 97°13’15.94” W; 27°48’54.99” N, 97°13’6.74” W; 27°48’44.46” N, 97°13’6.86” W; 27°48’44.54” N, 97°13’16.06” W. The purpose of this rule is to ensure safety of vessels and persons on these navigable waters in the safety zone while pipelines are removed from the floor of the Corpus Christi Shipping Channel.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 9 a.m. through 3 p.m. on November 15, 2022, and will be subject to enforcement from 9 a.m. to 3 p.m. The safety zone will encompass all navigable waters of the Corpus Christi Shipping Channel in a zone defined by the following coordinates; 27°48’55.07” N, 97°13’15.94” W; 27°48’54.99” N, 97°13’6.74” W; 27°48’44.46” N,
