Information Collection Request

Title: Vessel Documentation.

OMB Control Number: 1625–0027.

Summary: The information collected will be used to establish the eligibility of a vessel to: (a) be documented as a "vessel of the United States," (b) engage in a particular trade, and/or (c) become the object of a preferred ship's mortgage. The information collected concerns citizenship of owner/applicant and build, tonnage and markings of a vessel.

Need: 46 U.S.C. Chapters 121, 123, 125 and 313 requires the documentation of vessels. A Certificate of Documentation is required for the operation of a vessel in certain trades, serves as evidence of vessel nationality and permits a vessel to be subject to preferred mortgages.

Why is the Coast Guard proposing to add two new forms: The Coast Guard is adding optional forms CG–1330 and CG–1332 to provide a standardized means of delivering information about documented U.S. vessels. A Certificate of Ownership of Vessel (CG–1332) provides the name and official number of a vessel, name and address of the last owner of record, the Certificate of Documentation expiration date, any outstanding mortgages, preferred mortgages, and notice of lien. Additionally, it lists any pending application and or instruments filed. A General Index or Abstract of Title (CG–1330) contains information concerning build, ownership, and encumbrances or liens filed and recorded against a vessel.

Respondents: Owners/builders of yachts and commercial vessels of at least 5 net tons.

Frequency: Annually, and on occasion.

Hour Burden Estimate: The estimated burden has increased from 50,844 hours to 84,443 hours, due to an increase in the estimated number of responses. In addition, the estimated burden has increased by 5,883 hours, due to the addition of two new optional forms—CG–1330, Certificate of Ownership of Vessel and CG–1332, General Index or Abstract of Title. The total estimated burden is 90,326 hours.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Federal Emergency Management Agency

[Docket ID: FEMA–2022–0036; OMB No. 1660–0083]

Agency Information Collection Activities: Proposed Collection; Comment Request; Application for Community Disaster Loan (CDL) Program

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 60-day notice of revision and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on an extension, with change, of a currently approved information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the Community Disaster Loan (CDL) Program. This collection allows the Federal Government to make loans to local governments that have suffered economic problems due to disasters.

DATES: Comments must be submitted on or before January 17, 2023.

ADDRESSES: To avoid duplicate submissions to the docket, please submit comments at www.regulations.gov under Docket ID FEMA–2022–0036. Follow the instructions for submitting comments.

All submissions received must include the agency name and Docket ID. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy and Security Notice that is available via a link on the homepage of www.regulations.gov.

FOR FURTHER INFORMATION CONTACT: Martha Castro, Program Manager, Program Support and Monitoring Branch, Public Assistance Division, 202–212–5761, Martha.Castro@fema.dhs.gov. You may contact the Information Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: The information collection is required for Community Disaster Loan (CDL) Program eligibility determinations, CDL management, and compliance with other Federal laws and regulations. The CDL Program is authorized by section 417 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Pub. L. 93–288, as amended, 42 U.S.C. 5184) and implementing regulations at 44 CFR, part 206, subpart K. FEMA may make a CDL to any local government which has suffered a substantial loss of tax or other revenues as a result of a major disaster or emergency and which demonstrates a need for Federal financial assistance to perform its governmental functions.

The CDL must be justified on the basis of need and be based on the actual and projected expenses, as a result of the disaster, for the fiscal year in which the disaster occurred and the three succeeding fiscal years. FEMA has the authority to cancel repayment of all or part of these CDLs to the extent that a determination is made that revenues of the local government during the three fiscal years following the disaster are insufficient to meet the operating budget of that local government because of disaster related revenue losses and additional unreimbursed disaster-related municipal operating expenses.

FEMA reviewed the forms included in this collection and found that FEMA Form 090–0–4 (Letter of Application) presented difficulties for the local governments. FEMA found a simpler way of fulfilling the regulatory requirement through a template letter which local governments can paste into their letterhead. Therefore, FEMA Form 090–0–4 (Letter of Application) will no longer be part of this collection.
