

information related to data security requirements.

The expected number of applications in the SAP Portal that receive a positive determination from BTS in a given year may vary. Overall, per year, BTS estimates it will collect data security information for five application submissions that received a positive determination within the SAP Portal. BTS estimates that the total burden for the collection of information for data security requirements over the course of the three-year OMB clearance will be about 22.5 hours and, as a result, an average annual burden of 7.5 hours.

Issued in Washington, DC on the 10th of November 2022.
