

This proposed information collection request outlines the legal authority, procedures, burden, and cost associated with developing and maintaining affirmative action programs and responding to the compliance review Scheduling Letter.

II. Review Focus: OFCCP is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the compliance assistance functions of the agency that support the agency's compliance mission, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected;

- Provide feedback on the agency's proposal to require post-secondary institutions and contractors with campus-like settings to submit all AAPs and Itemized Listing information for the entire campus in the city where OFCCP schedules the compliance evaluation;

- Provide feedback on the agency's proposed definitions of "competitive promotion" and "non-competitive promotion" and any other necessary guidance;

- Provide feedback on the potential use of OFCCP's Contractor Portal as a method for contractors to utilize when uploading and submitting their Itemized Listing data in response to a Scheduling Letter; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions: OFCCP seeks approval of this information collection in order to carry out and enhance its responsibilities to enforce the nondiscrimination and affirmative action provisions of the three legal authorities it administers.
