SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Disaster Recovery Grant Reporting System (DRGR).

OMB Approval Number: 2506–0165.

Type of Request: Revision.

Form Number: SF–424 Application for Federal Assistance.

Description of the need for the information and proposed use:

The Disaster Recovery Grant Reporting (DRGR) System is a grants management system used by the Office of Community Planning and Development to monitor special appropriation grants under the Community Development Block Grant program. This collection pertains to Community Development Block Grant Disaster Recovery (CDBG–DR), Community Development Block Grant Mitigation (CDBG–MIT), Community Development Block Grant National Disaster Resilience Competition (CDBG–NDR), Neighborhood Stabilization Program (NSP), Rural Capacity Building (RCB), Section 4, and Recovery Housing Program (RHP) grant funds.

The CDBG program is authorized under Title I of the Housing and Community Development Act of 1974, as amended. Following major disasters, Congress appropriates supplemental CDBG funds for disaster recovery. According to Section 104(e)(1) of the Housing and Community Development Act of 1974, HUD is responsible for reviewing grantees' compliance with applicable requirements and their continuing capacity to carry out their programs. Grant funds are made available to states and units of general local government, Indian tribes, and insular areas, unless provided otherwise by supplemental appropriations statute,

based on their unmet disaster recovery needs.

The Neighborhood Stabilization Program (NSP) was established for the purpose of stabilizing communities that have suffered from foreclosures and property abandonment. Authorized under Section 1497 of the Wall Street Reform and Consumer Protection Act of 2010 (Pub. L. 111–203, approved July 21, 2010) (“NSP3”), NSP3 Technical Assistance (TA) provides \$20 million to organizations that are experienced and successful in providing program, technical, planning, financial, and organizational capacity building assistance, or consulting in such areas as community development, affordable housing, organizational management, financing and underwriting, construction and rehabilitation management, land banking, project management and strategic planning.

Through the funding of national organizations with expertise in rural housing and community development, the Rural Capacity Building (RCB) and Section 4 programs enhance the capacity and ability of local governments, Indian tribes, housing development organizations, rural Community Development Corporations (CDCs), and rural Community Housing Development Organizations (CHDOs), to carry out community development and affordable housing activities that benefit low-and moderate-income families and persons in rural areas.

The Recovery Housing Program (RHP) was authorized under section 8071 of the Support for Patients and Communities (SUPPORT) Act. HUD published its formula in the **Federal Register** on April 17, 2019 (84 FR 16027), identifying the 35 eligible grantees and allocation percentages. Section 8071 of the SUPPORT Act (Section 8071) required funds appropriated or made available for the RHP be treated as CDBG funds under title I of the Housing and Community Act of 1974, unless otherwise provided in Section 8071 or modified by waivers and alternative requirements.

Estimated Number of Respondents: 2,378.

Estimated Number of Responses: 46,150.

Frequency of Response: Varies.

Average Hours per Response: Varies.

Total Estimated Burdens: 59,890.50 hours and cost of \$1,861,995.10.
