Type of Review: An extension without change of a currently approved ICR.

Respondents/Affected Public: State, local, and Tribal Governments.

Total Estimated Number of Annual Responses: 56.

Total Estimated Number of Annual Burden Hours: 3,360.

Abstract: The Department of Education (the Department) requests an

extension of the information collection under the School Improvement Programs section of the Bipartisan Safer Communities Act (BSCA), and the Stronger Connections Grant (SCG), OMB number 1810-0770. Under this program, the Department awards grants to State educational agencies (SEAs) for the purpose of providing competitive grants to high-need local educational agencies (LEAs) for activities under section 4108 of the Elementary and Secondary Education Act of 1965 (ESEA).

Eligible applicants for the SCG funds include those in any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Bureau of Indian Education, and the Outlying Areas. Each SEA will award no less than 95 percent of its SCG allocation on a competitive basis to high-need LEAs as determined by the State. The SEA will reserve no more than 1% of its SCG allocation for administration and will use any remaining funds not awarded to LEAs for State-level activities to support section 4108 of the Elementary and Secondary Education Act of 1965 (ESEA).

This information collection will support the Department in providing effective technical assistance, monitoring and oversight to ensure that these funds are awarded and used as required by the BSCA—*i.e.*, that the funds are awarded to high-need LEAs on a competitive basis for activities allowable under section 4108 of the ESEA. Department staff will review the information submitted by SEAs (1) for monitoring purposes, to verify that SEAs are implementing the BSCA requirements for SEA award of the SCG funds; and (2) to understand the manner in which SEAs are implementing these requirements. This information will enable the Department to provide effective technical assistance and support to States. If this information is not collected, the Department will be unable to fully and adequately meet monitoring and technical assistance responsibilities as States implement this program.
