**SUPPLEMENTARY INFORMATION:**

**Background**

On March 19, 2019, Commerce published the AD order on corrosion inhibitors from China in the **Federal Register**.<sup>1</sup> On August 30, 2022, Chuzhou Kanghua requested that Commerce initiate a changed circumstances review of the *Order* to determine that it is the successor-in-interest to Nantong Kanghua.<sup>2</sup> We did not receive comments from interested parties concerning this request. On September 8, 2022, Commerce requested additional information from Chuzhou Kanghua to determine whether to initiate the requested CCR.<sup>3</sup>

On October 7, 2022, we extended the deadline to initiate the CCR.<sup>4</sup>
