DOE-LM has acknowledged that segments of four National Historic Trails are present within the project area. The transfer of administrative jurisdiction would not invalidate or revoke the congressionally designated alignments of the National Historic Trail across the property, and trail wide administration would continue to be coordinated by the National Park Service.

(Authority: 42 U.S.C. 7916).

Andrew Archuleta,

BLM Wyoming State Director.

Notice of Inventory Completion: University of California, Berkeley; Berkeley, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of California, Berkeley has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary object and Indian Tribes or Native Hawaiian organizations in this notice. The human remains and associated funerary object were removed from Suffolk County, NY. **DATES:** Repatriation of the human remains and associated funerary objects in this notice may occur on or after December 23, 2022.

ADDRESSES: Alex Lucas, University of California, Berkeley; 50 University Hall, 2199 Addison Street, Berkeley, CA

94720, telephone (925) 791-7231, email alexandra.lucas@berkeley.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of California, Berkeley. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the University of California, Berkeley.

Description

Human remains representing, at minimum, two individuals were removed from Suffolk County, NY. They were excavated at an unknown date by F. (Frank) M. Smith, head of the Pacific Coast Borax Company. Originally from Wisconsin, his Borax mining operations were based in Death Valley. He resided in Oakland, but he had a summer residence on Shelter Island in Suffolk County, NY. The individuals and associated funerary items were donated and accessioned to the University in 1910. The one associated funerary object is a lot of faunal bones.

Cultural Affiliation

The human remains and associated funerary objects in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: archeological, geographical, historical, kinship, oral traditional, and expert opinion.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the University of California, Berkeley has determined that:

- The human remains described in this notice represent the physical remains of at least two individuals of Native American ancestry.

- The one object described in this notice is reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary object described in this notice and the Shinnecock Indian Nation.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after December 23, 2022. If competing requests for repatriation are received, the University of California, Berkeley must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The University of California, Berkeley is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.9, 10.10, and 10.14.

Dated: November 16, 2022.

Melanie O'Brien,

Manager, National NAGPRA Program.

Notice of Inventory Completion: Arizona State Museum, University of Arizona, Tucson, AZ

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Arizona State Museum (ASM) has completed an inventory of human

remains and an associated funerary object and has determined that there is a cultural affiliation between the human remains and associated funerary object and Indian Tribes or Native Hawaiian organizations in this notice. The human remains and associated funerary object were removed from Pima County, Arizona.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after December 23, 2022.

ADDRESSES: Cristin Lucas, Repatriation Coordinator, Arizona State Museum, University of Arizona, P.O. Box 210026, Tucson, AZ 85721-0026, telephone (520) 626-0320, email lucasc@arizona.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of ASM. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the ASM.

Description

Human remains representing, at minimum, one individual were removed from site AZ BB:14:1(ASM) in Pima County, AZ. The site was first recorded in 1925 by an archeology field class under the direction of Byron Cummings with the University of Arizona (UA). Permitted excavation was subsequently conducted in 1927 by Edward John Hands under the direction of the UA. Collections from these field seasons were brought to ASM following fieldwork; no accession number was assigned. In 1941, ASM loaned to the Harvard Peabody Museum of Archaeology and Ethnology (Peabody) a ceramic cremation vessel containing cremated human remains that had been removed from site AZ BB:14:1(ASM). The human remains and vessel remained at the Peabody until 2021 when they were recalled by ASM. No known individual was identified. The one associated funerary object is a ceramic cremation vessel.

Cultural Affiliation

The human remains and associated funerary object in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes,

peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: anthropological, archeological, biological, geographical, historical, linguistic, and oral traditional.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, ASM has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The one object described in this notice is reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary object described in this notice and the Ak-Chin Indian Community (*previously* listed as Ak Chin Indian Community of the Maricopa (Ak Chin) Indian Reservation, Arizona); Gila River Indian Community of the Gila River Indian Reservation, Arizona; Hopi Tribe of Arizona; Salt River Pima-Maricopa Indian Community of the Salt River Reservation, Arizona; Tohono O'odham Nation of Arizona; and the Zuni Tribe of the Zuni Reservation, New Mexico.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after December 23, 2022. If competing requests for repatriation are received, the ASM must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and

associated funerary objects are considered a single request and not competing requests. ASM is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.
