Needs and Uses: The purpose of this study is to investigate the implementation of four specific initiatives (*i.e.*, Advance Enrollment, Military Student Identifier, Purple Star Schools [or similar efforts], and the Interstate Compact on Educational Opportunity for Military Children) and other policies intended to support military-connected students' (*i.e.*, kindergarten through 12th grade) educational success (*e.g.*, academic performance, social-emotional development and well-being).

Each of these groups of people may have different perspectives on the implementation of the abovementioned

The regulations in § 600.9(c)(2)(i) require an institution to determine in accordance with the institution’s policies and procedures in which State a student is located while enrolled in a distance education or correspondence course, under either State jurisdiction or when the institution participates in a State authorization reciprocity agreement under which it is covered.
