Jason Salazar, Program Analyst, Recovery Directorate, FEMA at Jason.Salazar@FEMA.dhs.gov or (940) 268-9245. You may contact the Information Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: This collection is in accordance with Executive Orders 12862, *Setting Customer Service Standards* (58 FR 48257, Sept. 11, 1993) and 13571, *Streamlining Service Delivery and Improving Customer Service* (76 FR 24339, May 2, 2011) requiring all Federal Agencies to survey customers to determine the kind and quality of services they want and their level of satisfaction with existing services. The Government Performance and Results Act (GPRA) of 1993 (Pub. L. 103-62, 107 Stat. 285) requires agencies to set missions and goals and measure performance against them and the GPRA Modernization Act of 2010 (Pub. L. 111-352, 31 U.S.C. 1116) requires quarterly performance assessments of government programs for the purposes of assessing agency performance and improvement. FEMA will fulfill these requirements by collecting customer satisfaction program information through surveys of the Recovery Directorate's external customers.

This is a request to reduce burden hours in order to comply with the

Department of Homeland Security's Paperwork Reduction Act Burden Reduction Initiative. Burden has been reduced in the following ways:

1. Corrected inaccurate burden per response for electronic survey forms. Original estimates were prior to implementation of electronic surveys. Completion times are faster than original estimates.
2. A higher percentage of respondents prefer email surveys in recent years, which are faster to complete than phone surveys.
3. The burden hours allocated to qualitative research have been reduced based on recent utilization.

No changes have been made to the currently approved survey forms. This collection was previously approved in July 2021.
