

potentially frequent purchases, sales, or deposits of additional protection, which may reduce the operational cost of the protected option strategy. As a result, the Exchange believes the proposed rule change may make this strategy more beneficial for customers and thus remove impediments to and perfect the mechanism of a free and open market, as well as reduce the margin required for such strategies, which will potentially free up capital that can be put back into the market, which ultimately benefits investors.

The proposed clarifying, nonsubstantive changes provide for more consistent language in similar rule provisions, which will ultimately benefit investors.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended as a competitive filing, but rather to modify margin requirements for a certain option strategy to be more reasonable and practical. The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act, as it will apply the same margin treatment to all TPHs. The Exchange does not believe that the proposed rule change will impose any burden on intermarket competition, as several other options exchanges incorporate by reference the Exchange's margin rules into their rules (and thus apply them to their members), which incorporation by reference would apply to the proposed rule change if approved by the Commission. Additionally, as discussed above, the proposed rule change may reduce the operational burden of protected option strategies, as well as reduce the margin required for such strategies, which may make the strategies more beneficial for customers.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal**

Register or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

A. by order approve or disapprove such proposed rule change, or

B. institute proceedings to determine whether the proposed rule change should be disapproved.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36649]

Illinois Western Railroad Company—Operation Exemption—in Greenville, Ill.

Illinois Western Railroad Company (ILW), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to operate approximately thirteen hundred feet of existing trackage owned by the City of Greenville (City), extending from a connection with CSX Transportation, Inc., into the Alan E. Gaffner Industrial Park (formerly the Howard M. Wolf Business Park), in Greenville, Bond County, Ill. (the Greenville Track). The Greenville Track does not have mileposts.

This transaction is related to a concurrently filed verified notice of exemption in *3i RR Holdings GP LLC—Control Exemption—Effingham Railroad*, Docket No. FD 36650, in which 3i RR Holdings GP LLC, 3i Holdings Partnership L.P., 3i RR Intermediate Holdings LLC, 3i RR LLC, Regional Rail Holdings, LLC, Regional Rail Sub Holdings LLC, and Regional Rail, LLC, seek to control ILW upon ILW's becoming a Class III rail carrier, and to control two other Class III rail carriers.

According to the verified notice, ILW has conducted switching operations on the Greenville Track since 1996, but its notice of exemption filed that year to operate the Greenville Track was dismissed as not being within the Board's authority. *See Ill. W. R.R.—Change in Operator Exemption—City of Greenville, Ill.*, FD 32853 (STB served Jan. 30, 1996). ILW states that, in connection with the pending sale of ILW and two rail carriers, it is seeking to establish and resolve its status as a rail carrier, consistent with the Board's 1997 decision in *Effingham Railroad—Petition for Declaratory Order—*

Construction at Effingham, Ill., 2 S.T.B. 606 (1997), *aff'd sub nom. United Transportation Union v. STB*, 183 F.3d 606 (7th Cir. 1999). ILW further states that operations on the Greenville Track will continue under the current iteration of an operating agreement with the City, which was entered into in 2016.¹

ILW certifies that its projected annual revenue will not exceed \$5 million and that the proposed transaction will not result in ILW's becoming a Class I or II rail carrier. ILW states that the operating agreement between it and the City contains no restriction on ILW interchanging traffic with any rail carriers.

The earliest this transaction may be consummated is December 18, 2022, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than December 9, 2022.

All pleadings, referring to Docket No. FD 36649, must be filed with the Surface Transportation Board either via e-filing on the Board's website or in writing addressed to 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on ILW's representative, Michael J. Barron, Jr., Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 800, Chicago, IL 60606-3208.

According to ILW, this action is categorically excluded from environmental review under 49 CFR 1105.6(c) and from historic preservation reporting requirements under 49 CFR 1105.8(b).

Board decisions and notices are available at www.stb.gov.

Decided: November 29, 2022.

By the Board, Mai T. Dinh, Director, Office of Proceedings.

Raina White,
Clearance Clerk.
