

(b) Are there barriers preventing successful partnerships with business and industry partners at the state and/or local levels? If so, what are the barriers and what support is needed to overcome them?

(c) What is the role of employers in preparing new or incumbent workers for industry-specific digital skills, or how should workforce providers partner with employers? How might employer-specific digital skills be taught by the employer to build on skills taught by workforce grantees or training providers?

(d) Are there any specific digital skills that workforce and education training providers should be responsible for teaching learners, such as how to type or navigate digital devices?

5. *Federal Investments in Digital Literacy*: Please share what support from the federal government is needed to advance national digital literacy attainment efforts:

(a) Which existing federal programs/federal funding sources are being utilized to support digital resilience?

(b) Is additional federal funding needed for states/local governments to facilitate better services to the public?

(c) What types of technical assistance and resources would be most valuable to build digital resilience capacity?

(d) How are WIOA grantees/sub-grantees leveraging funding outside of WIOA, such as the Affordable Connectivity Program and/or digital equity funding under the Bipartisan Infrastructure Law, to address digital inclusion and equity challenges with federal funding?

(e) How can federally-funded workforce and education training programs work together to ensure that participants (adult and youth) receive needed training in foundational and occupation-specific digital literacy skills?

6. *Digital Literacy & K-12 Public Education System*: Please share successful strategies, key challenges, and lessons learned in addressing digital literacy for K-12 youth:

(a) What are the digital skills necessary to be considered digitally literate today? In the future?

(b) Which K-12 and community college/postsecondary education systems do you consider to be exemplars in teaching digital skills to adult learners, youth learners, and/or families/caregivers? Why?

(c) How should the Department of Education better encourage digital skills education in the K-12, community colleges, and adult education settings?

(d) What are some recommended strategies to ensure digital skills

education evolves alongside society's technological advances?

Brent Parton,

Acting Assistant Secretary for Employment and Training, Labor.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2023-010]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: NARA is proposing to request that the Office of Management and Budget (OMB) renew approval of an information collection used by researchers who wish to do biomedical statistical research in archival records containing highly personal information. We invite you to comment on this proposed information collection.

DATES: We must receive written comments on or before February 6, 2023.

ADDRESSES: Send comments to Paperwork Reduction Act Comments (MP), Room 4100; National Archives and Records Administration; 8601 Adelphi Road; College Park, MD 20740-6001, or email them to tamee.fechhelm@nara.gov.

FOR FURTHER INFORMATION CONTACT: Contact Tamee Fechhelm by telephone at 301-837-1694 with requests for additional information or copies of the proposed information collection and supporting statement.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13), we invite the public and other Federal agencies to comment on proposed information collections. The comments and suggestions should address one or more of the following points: (a) whether we need the proposed information collection to properly perform our agency functions; (b) our estimate of the burden of the proposed information collection and its accuracy; (c) ways we could enhance the quality, utility, and clarity of the information we collect; (d) ways we could minimize the burden on respondents of collecting the information, including through information technology; and (e) whether this collection affects small businesses. We will summarize any comments you submit and include the summary in our request for OMB approval. All comments will become a matter of public record.

In this notice, we solicit comments concerning the following information collection:

Title: Statistical Research in Archival Records Containing Personal Information.

NUCLEAR REGULATORY COMMISSION

[NRC-2020-0018]

Standard Review Plan for Applications for 10 CFR Part 70 Licenses for Possession and Use of Special Nuclear Materials of Critical Mass but Not Subject to the Requirements in 10 CFR part 70, Subpart H

AGENCY: Nuclear Regulatory Commission.

ACTION: Draft NUREG; request for comment.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) is issuing for public comment a draft NUREG, NUREG-2212, “Standard Review Plan for Applications for 10 CFR part 70 Licenses for Possession and Use of Special Nuclear Materials of Critical Mass but not Subject to the Requirements in 10 CFR part 70, subpart H.” This NUREG contains information intended to provide staff guidance to assist applicants and licensees in preparing license applications for possession and use of special nuclear materials (SNM) exceeding specific threshold quantities. It describes methods or approaches acceptable to the NRC staff for implementing NRC requirements in the *Code of Federal Regulations*.

DATES: Submit comments by February 6, 2023. Comments received after this date will be considered if it is practical to do so, but the NRC is able to ensure consideration only for comments received on or before this date.

ADDRESSES: You may submit comments by any of the following methods; however, the NRC encourages electronic comment submission through the Federal rulemaking website:

- *Federal Rulemaking Website:* Go to <https://www.regulations.gov> and search for Docket ID NRC-2020-0018. Address questions about Docket IDs in *Regulations.gov* to Stacy Schumann; telephone: 301-415-0624; email: Stacy.Schumann@nrc.gov. For technical questions, contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** section of this document.

- *Mail comments to:* Office of Administration, Mail Stop: TWFN-7-A60M, U.S. Nuclear Regulatory

Commission, Washington, DC 20555-0001, ATTN: Program Management, Announcements and Editing Staff.

For additional direction on obtaining information and submitting comments, see “Obtaining Information and Submitting Comments” in the **SUPPLEMENTARY INFORMATION** section of this document.
