SUPPLEMENTARY INFORMATION:

Authority: 44 U.S.C. 3501-21.

Title: Barriers to Health Care for Women Veterans Survey.

OMB Control Number: 2900-0795.

Type of Review: Reinstatement of a currently approved collection.

Abstract: Legal authority for this data collection is found in Public Law 116-315, Sec. 5402—"Study of Barriers for Women Veterans to Receipt of Health Care from Department of Veterans Affairs," which requires VA to conduct an independent comprehensive study of the barriers to the provision of health care for women Veterans. Per Sec. 5402, this current study is to build on previous studies "National Survey of Women Veterans in Fiscal Year 2007-2008" and "Study of Barriers for Women Veterans to VA Health Care 2015." The aim of the proposed survey is to better understand barriers women Veterans face accessing VA care, the comprehensiveness of care, and progress made in reducing barriers to VA healthcare for women Veterans since the previous study conducted in 2015. The data collected will allow VA to plan and provide better health care for women Veterans and to support reports to Congress about the status of women Veterans' health care.
