SUPPLEMENTARY INFORMATION: HUD is publishing a preview of the FY 2022 FUP NOFO to give interested applicants time to prepare their applications prior to the opening of the application period. HUD expects that this preview will be available for approximately 90 days

before HUD publishes the official NOFO on *Grants.gov* and begins to take applications. During this preview, the FY 2022 FUP NOFO preview is available on HUD's website at the following URL: <https://www.hud.gov/grants>.

This NOFO preview is subject to change. While HUD does not intend to make substantive changes at this point, applicants should consider the NOFO published on *Grants.gov* to be the official version.

HUD will not accept applications during the preview period. Interested applicants may also conduct the required registration activities for the System for Award Management (SAM), Unique Entity Identifier (UEI), and *Grants.gov* (see Section IV.C. of the NOFO preview).

HUD strongly encourages interested applicants to begin working with their partnering public child welfare agency (PCWA) and Continuum of Care (CoC) to draft their Memorandum of Understanding (MOU) during the preview period. Please note that while interested applicants may work on their MOUs during the preview period, the NOFO requires that the MOU must be signed between the date the NOFO is published on *Grants.gov* and the application deadline.

HUD anticipates that the FY 2022 FUP NOFO will be published on *Grants.gov* in March 2023. The publication of the FY 2022 FUP NOFO on *Grants.gov* will signal the opening of the application period. The application period will be open for 30 days. Applications must be submitted through *Grants.gov*.

HUD will not accept requests for a waiver of electronic submission requirements during the preview period. Such requests may only be submitted once the NOFO has been published on *Grants.gov* (see Section IV.A. of the NOFO preview).
