Pumped Hydro Storage LLC; Notice of Surrender of Preliminary Permit

Take notice that Pumped Hydro
Storage LLC, permittee for the proposed
San Francisco River Pumped Storage
Project, has requested that its
preliminary permit be terminated. The
permit was issued on February 18, 2021
and would have expired on January 31,
2024.¹ The project would have been
located on the San Francisco River in
Greenlee County, Arizona and Catron
County, New Mexico, on land that is
part of the Apache-Sitgreaves National
Forest in Arizona and the Gila National
Forest in New Mexico.

The preliminary permit for Project
No. 14995 will remain in effect until the
close of business, January 11, 2023. But,
if the Commission is closed on this day,
then the permit remains in effect until
the close of business on the next day in
which the Commission is open.² New
applications for this site may not be
submitted until after the permit
surrender is effective.

Dated: December 12, 2022.

Kimberly D. Bose,
Secretary.

any filing should include the docket
number P-6634-003. Comments
emailed to Commission staff are not
considered part of the Commission
record.

The Commission's Rules of Practice
and Procedure require all intervenors
filing documents with the Commission
to serve a copy of that document on
each person whose name appears on the
official service list for the project.
Further, if an intervenor files comments
or documents with the Commission
relating to the merits of an issue that
may affect the responsibilities of a
particular resource agency, they must
also serve a copy of the document on
that resource agency.

k. *Description of Request:* The
exemptee proposes to surrender its
exemption for the project. The power
purchasing agreement for the project
expired in 2013 and the exemptee has
been unable to enter into a new
agreement. Currently, the project is non-
operational and no water flows through
penstock. The exemptee proposes to
leave all project works secured in place
including the powerhouse and
generator.

l. *Locations of the Application:* This
filing may be viewed on the
Commission's website at <http://>
