The term “interest and redemption payments” refers to payments of principal, interest, and redemption on securities maintained on the Fedwire Securities Service.

The Reserve Banks will post these transactions, as directed by the issuer, provided that the issuer’s Federal Reserve account contains funds equal to or in excess of the amount of the interest and redemption payments to be made. In the normal course, if a Reserve Bank does not receive funding from an issuer for the issuer’s interest and redemption payments by the established cut-off hour of 4:00 p.m. eastern time on the Fedwire Securities Service, the issuer’s payments will not be processed on that day.

<sup>34</sup> This schedule of posting rules does not affect the overdraft restrictions and overdraft measurement provisions for nonbanks established by the Competitive Equality Banking Act of 1987 and the Board’s Regulation Y (12 CFR 225.52).

<sup>35</sup> Funds transfers that the Reserve Banks function for certain international organizations using internal systems other than payment processing systems such as Fedwire will be posted throughout the business day for purposes of measuring daylight overdrafts.

<sup>36</sup> Claim adjustments are debits and credits associated with the Fedwire Securities Service’s Automated Claim Adjustment Process (ACAP).

<sup>37</sup> For a complete list of securities issuers, including GSEs, please visit <https://www.fbservices.org/resources/financial-services/securities/user-guide.html>.

<sup>38</sup> Electronic payments for credits on these securities will post according to the posting rules for the mechanism through which they are processed, as outlined in this policy. However, the majority of these payments are made by check and will be posted according to the established check posting rules as set forth in this policy.

By order of the Board of Governors of the Federal Reserve System, acting through the Director of the Division of Reserve Bank Operations and Payment Systems under delegated authority.

### Agency Information Collection Activities: Submission for OMB Review; Comment Request

**AGENCY:** Centers for Medicare & Medicaid Services, Health and Human Services (HHS).

**ACTION:** Notice.

**SUMMARY:** The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for the public to comment on CMS’ intention to collect information from the public. Under the Paperwork Reduction Act of 1995 (PRA), federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, and to allow a second opportunity for public comment on the notice. Interested persons are invited to send comments regarding the burden estimate or any other aspect of this collection of information, including the necessity and utility of the proposed information collection for the proper performance of the agency’s functions, the accuracy of the estimated burden, ways to enhance the quality, utility, and clarity of the information to be collected, and the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

**DATES:** Comments on the collection(s) of information must be received by the OMB desk officer by January 26, 2023.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). **SUPPLEMENTARY INFORMATION:** Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Reinstatement with change of a previously approved collection; *Title:* Basic Health Program (BHP) Supporting Regulations; *Use:* In accordance with Section 1331 of the Patient Protection and Affordability Care Act, Public Law 111-148 (ACA), BHP is federally funded by determining the amount of payments that the federal government would have made through premium tax credits and cost-sharing reductions for people enrolled in BHP had they instead been enrolled in an Exchange. States must submit a BHP Blueprint to CMS for certification prior to the state implementing a BHP and must submit a revised Blueprint in the event that a state seeks to make significant changes that alter program operations; the BHP benefit package; or enrollment, disenrollment, and verification policies described in the Blueprint. Such States must also submit a BHP annual report. In addition to the reinstatement, this 2022 iteration proposes changes that are associated with the March 12, 2014 (79 FR 14112) BHP final rule that have not previously received PRA approval. *Form Number:* CMS-10510 (OMB control number: 0938-1218); *Frequency:* Monthly and annually; *Affected Public:*

State, Local or Tribal Government; *Number of Respondents:* 2; *Number of Responses:* 27; *Total Annual Hours:* 2,568. For policy questions regarding this collection contact Cassie Lagorio at 443-721-8022.

Dated: December 21, 2022.

[OMB No. 0970-0218]

**Submission for Office of Management and Budget Review; Tribal Child Support Enforcement Direct Funding Request**

**AGENCY:** Office of Child Support Enforcement, Administration for Children and Families, Department of Health and Human Services.

**ACTION:** Request for public comments.

**SUMMARY:** The Office of Child Support Enforcement (OCSE), Administration for Children and Families (ACF) is requesting a 3-year extension of the Tribal Child Support Enforcement Direct Funding Requests-45 CFR 309 (Office of Management and Budget (OMB)) #0970-0218, expiration March 31, 2023) with revisions. We are proposing to provide an optional Table of Contents and Cover Sheet for plan pages.

**DATES:** *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular

information collection by selecting “Currently under 30-day Review-Open for Public Comments” or by using the search function. You can also obtain copies of the proposed collection of information by emailing [ocse.tribal@acf.hhs.gov](mailto:ocse.tribal@acf.hhs.gov). Identify all emailed requests by the title of the information collection.

**SUPPLEMENTARY INFORMATION:**

*Description:* The final rule within 45 CFR part 309, published in the **Federal Register** on March 30, 2004, contains a regulatory reporting requirement that, in order to receive funding for a Tribal IV-D program, a tribe or tribal organization must submit a plan describing how the tribe or tribal organization meets or plans to meet the objectives of section 455(f) of the Social Security Act, including establishing paternity; establishing, modifying, and enforcing support orders; and locating noncustodial parents. The plan is required for all tribes requesting funding; however, once a tribe has met the requirements to operate a comprehensive program, a new plan is not required annually unless a tribe makes changes to its title IV-D program. If a tribe or tribal organization intends to make any substantial or material changes, a Tribal IV-D plan amendment must be submitted for approval. Tribes and tribal organizations must have an approved plan and submit any required plan amendments in order to receive funding to operate a Tribal IV-D program. With this request to extend approval of this information collection, OCSE is proposing a change to the paperwork collection by providing optional plan pages. The optional plan pages organize the Tribal IV-D plan, identify required attachments, and streamline plan amendment submissions. Tribes and tribal organizations who choose to participate will attest to complying with the regulatory requirements in 45 CFR, Parts 309 and 310 and submit plan amendments for changes to the required attachments identified in the Table of Contents. The optional plan pages organize the Tribal IV-D plan, identify required attachments, and streamline plan amendment submissions.

*Respondents:* Tribes and tribal Organizations.
