#### SUPPLEMENTARY INFORMATION:

##### Background

On February 8, 2022, Commerce published a notice of opportunity to request an administrative review of the antidumping duty (AD) order on certain frozen warmwater shrimp (shrimp) from the Socialist Republic of Vietnam (Vietnam).<sup>1</sup> Commerce received timely

requests for an administrative review from Ad Hoc Shrimp Trade Action Committee (the petitioner), the American Shrimp Processors Association (ASPA) (domestic processors), and numerous Vietnamese companies. On April 12, 2022, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on shrimp from Vietnam for the period February 1, 2021, through January 31, 2022, covering 106 companies, including multiple companies with name variations/abbreviations, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i).<sup>2</sup>

On April 13, 2022, the petitioner and ASPA both filed timely withdrawals of their respective review requests of Soc Trang Seafood Joint Stock Company and STAPIMEX.<sup>3</sup> On April 13, 2022, Soc Trang Seafood Joint Stock Company also withdrew its review request.<sup>4</sup> On April 22, 2022, Thong Thuan Cam Ranh Seafood Joint Stock Company withdrew its review request.<sup>5</sup> Also on April 22, 2022, ASPA withdrew its review request of Thong Thuan Cam Ranh Seafood Joint Stock Company and T&T Cam Ranh.<sup>6</sup> On April 26, 2022, the petitioner and ASPA also filed timely withdrawals of their respective review requests of Seavina Joint Stock Company and Bien Dong Seafood Co., Ltd.<sup>7</sup> Therefore, Commerce is rescinding its review of: (1) Thong Thuan Cam Ranh Seafood Joint Stock Company; (2) T&T Cam Ranh; (3) Soc Trang Seafood Joint Stock

<sup>5</sup> See Akin Gump's Letter, "Withdrawal of Review Request—Thong Thuan Cam Ranh Seafood Joint Stock Company (T&T Cam Ranh)," dated April 22, 2022.

<sup>6</sup> See ASPA's Letters, "American Shrimp Processors Association's Supplemental Partial Withdrawal of Review Requests," both dated April 22, 2022. ASPA initially filed a letter withdrawing its review request of only Thong Thuan Cam Ranh Seafood Joint Stock Company, and subsequently, filed a second letter withdrawing its review request of T&T Cam Ranh, a known trade name of Thong Thuan Cam Ranh Seafood Joint Stock Company, for which ASPA also initially requested review.

<sup>7</sup> See Petitioner's Letter, "Domestic Producers' Partial Withdrawal of Review Requests," dated April 26, 2022; and ASPA's Letter, "American Shrimp Processors Association's Supplemental Partial Withdrawal of Review Requests," dated April 26, 2022.

Company; (4) STAPIMEX; (5) Seavina Joint Stock Company; and (6) Bien Dong Seafood Co., Ltd., as discussed below.

On May 9 and 12, 2022, three companies identified in the U.S. Customs and Border Protection (CBP) data as having entries of subject merchandise during the POR filed timely separate rate applications.<sup>8</sup> On June 2, 2022, we selected Quang Minh Seafood Co., Ltd. for individual examination pursuant to section 777A(c)(2) of the Act.<sup>9</sup> On September 19, 2022, Safe and Fresh Aquatic Products Joint Stock Company, one of the non-selected companies seeking a separate rate, withdrew from the administrative review.<sup>10</sup> On September 30, 2022, Commerce extended the deadline for the preliminary results by 100 days to February 8, 2023.<sup>11</sup>

On October 18, 2022, Quang Minh Seafood Co., Ltd., the mandatory respondent, withdrew from the administrative review.<sup>12</sup> On November 4, 2022, consistent with section 777(A)(c)(2) of the Act, we selected the remaining company under review that was eligible for individual examination, Ngoc Trinh Bac Lieu Seafood Co., Ltd., as a mandatory respondent.<sup>13</sup> On November 15, 2022, Ngoc Trinh Bac Lieu Seafood Co., Ltd. also withdrew from the administrative review.<sup>14</sup> Commerce did not select any further mandatory respondents because all companies that were eligible for individual examination had withdrawn from the administrative review, as discussed above.

Although the HTSUS numbers are provided for convenience and for customs purposes, the written product description, provided in Appendix I, remains dispositive.

### Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. Because all requests for administrative review of: (1) Bien Dong Seafood Co., Ltd.; (2) Seavina Joint Stock Company; (3) Soc Trang Seafood Joint Stock Company; (4) STAPIMEX; (5) Thong Thuan Cam Ranh Seafood Joint Stock Company; and (6) T&T Cam Ranh were withdrawn by interested parties within 90 days of the date of publication of the *Initiation Notice*, and no other interested party requested a review of them, Commerce is rescinding this review with respect to these companies and their name variations/abbreviations, in accordance with 19 CFR 351.213(d)(1). Commerce will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 1, 2021, through January 31, 2022, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 35 days after the publication of this notice in the **Federal Register**.

The administrative review remains active with respect to 100 companies.

### Preliminary Determination of No Shipments

Commerce received timely no-shipment certifications from four companies: (1) BIM Foods Joint Stock Company; (2) Minh Phu Hau Giang Seafood (3) Minh Phu Seafood Corporation and (4) Minh Qui Seafood

Co., Ltd.<sup>16</sup> To confirm these companies' no-shipment claims,<sup>17</sup> Commerce issued a no-shipment inquiry to CBP and received no contradictory information.<sup>18</sup> Therefore, we preliminarily determine that these four companies did not have any shipments of subject merchandise during the POR. Consistent with Commerce's practice, we will not rescind the review with respect to these companies, but rather, will complete the review and issue instructions based on the final results.<sup>19</sup>

### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. Because the two mandatory respondents and a non-selected separate rate company in this administrative review did not respond to Commerce's requests for information, but rather, withdrew their participation from the review, we preliminarily determine that they are ineligible for a separate rate and are, therefore, part of the Vietnam-Wide entity, subject to the Vietnam-Wide entity rate of 25.76 percent.

### Vietnam-Wide Entity

Commerce finds that 96 companies (see Appendix II) under review, including Quang Minh Seafood Co., Ltd., Safe and Fresh Aquatic Products Joint Stock Company, and Ngoc Trinh Bac Lieu Seafood Co., Ltd., have not established eligibility for a separate rate and are considered to be part of the Vietnam-wide entity for these

preliminary results.<sup>20</sup> Commerce's policy regarding conditional review of the Vietnam-wide entity applies to this administrative review.<sup>21</sup> Under this policy, the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the Vietnam-wide entity, the entity is not under review and the entity's rate of 25.76 percent is not subject to change.

### Preliminary Results of Review

Commerce finds that because the two mandatory respondents did not respond to our requests for information, but rather, withdrew from the review, they have not established eligibility for a separate rate. Based on the above information, Commerce has not calculated any dumping margins for any companies under review, nor has Commerce granted separate rates to any companies under review. As discussed above, Commerce has preliminarily determined that the remaining 96 companies under review, including the two mandatory respondents and a non-selected company seeking a separate rate, are part of the Vietnam-wide entity, and are subject to the Vietnam-wide entity rate of 25.76 percent (see appendix II).

### Disclosure and Public Comment

Normally, Commerce will disclose the calculations used in our analysis to parties in this review within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, here Commerce has only preliminarily applied the Vietnam-Wide rate, which was established in the underlying investigation,<sup>22</sup> to the 96 companies

<sup>16</sup> As stated in the *Initiation Notice*, shrimp produced and exported by Minh Phu Hau Giang Seafood, Minh Phu Seafood Corporation, and Minh Qui Seafood Co., Ltd., among others, were excluded from the *Order* effective July 18, 2016. Interested parties may submit case briefs no later than 30 days after the date of publication of this notice.<sup>23</sup> Rebuttal briefs, the content of which is limited to the issues raised in the case briefs, must be filed within seven days from the deadline date for the submission of case briefs.<sup>24</sup> Parties who submit case or rebuttal briefs in this proceeding are requested to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>25</sup> Case and rebuttal briefs should be filed electronically via ACCESS. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.<sup>26</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5 p.m. eastern time within 30 days after the date of publication of this notice.<sup>27</sup> Hearing requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; (3) whether any participant is a foreign national, and (4) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined.<sup>28</sup>

#### Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is

filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

If we continue to find in the final results no shipments for the companies identified in the "Preliminary Determination of No Shipments" section above, Commerce will instruct CBP to liquidate any suspended entries of subject merchandise that entered under those companies' case numbers at the Vietnam-wide rate.<sup>29</sup>

For the final results, if we continue to treat the 96 companies identified in Appendix II as part of the Vietnam-wide entity, we will instruct CBP to apply an *ad valorem* assessment rate of 25.76 percent to all entries of subject merchandise during the POR which were exported by those companies. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) for previously investigated or reviewed Vietnam and non-Vietnam exporters that have separate rates, the cash deposit rate will continue to be the exporter-specific rate established in the most recently completed segment of this proceeding; (2) for all Vietnam exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the existing rate for the Vietnam-wide entity of 25.76 percent; and (3) for all non-Vietnam exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnam exporter that supplied that non-Vietnam exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of

issues raised by the parties in the written comments, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1)(B) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: December 28, 2022.
