Comments that you submit in response to this 30-day notice are a matter of public record. ONRR will include or summarize each comment in its request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask ONRR in your comment to withhold your personal identifying information from public review, ONRR cannot guarantee that it will be able to do so.

(a) Abstract—General Information

ONRR reviews and audits the reporting and payment of royalties and other amounts due to the United States pursuant to Federal oil and gas leases. See U.S. Department of the Interior Departmental Manual, 112 DM 34.1 (Sept. 9, 2020). ONRR's responsibilities include valuing oil and gas for royalty purposes, evaluating claimed transportation and processing allowances, and granting royalty prepayment, accounting, and other relief for marginal properties in appropriate circumstances. ONRR collects the information covered by this ICR for these purposes. ONRR shares information with the Bureau of Land Management, Bureau of Indian Affairs, Bureau of Safety and Environmental Enforcement, Bureau of Ocean Energy Management, and State governments for their land and lease management responsibilities.

(b) Federal Oil and Gas Royalties and Valuation

Title 30 CFR part 1202—Royalties, subparts B and C, and 30 CFR part 1206—Product Valuation, subparts C and D, require a lessee to provide certain information necessary to calculate royalties due to the United States. Information collected under these subparts is used for oil and gas valuation, calculating and allocating transportation and processing allowances, determining location and quality differentials, and allocating residue gas and gas plant products to leases. See §§ 1206.102, 1206.108, 1206.110, 1206.113, 1206.141, 1206.142, 1206.148, 1206.150, 1206.152 to 1206.154, 1206.160, and 1206.161.

Some information collected under parts 1202 and 1206 is submitted on

form ONRR–2014 (Report of Sales and Royalty Remittance). This ICR does not include burden hours for submitting information on form ONRR–2014 because those burden hours are addressed in ONRR's ICR 1012–0004 (Royalty and Production Reporting). See Agency Information Collection Activities; Royalty and Production Reporting, 87 FR 3300 (January 21, 2022).

(c) Accounting and Auditing Relief for Marginal Properties

Title 30 U.S.C 1726 and 30 CFR part 1204 allow ONRR or a State that receives a statutorily prescribed portion of the royalties from a Federal lease to grant certain relief for marginal properties. This relief includes allowing a lessee to make a lump-sum advance payment of royalties instead of monthly royalty payments and various accounting and auditing relief options. See 30 CFR 1204.3. Lessees must submit information to ONRR for this relief. See §§ 1204.202, 1204.203, 1204.205, 1204.206, and 1204.209 to 1204.211.

(d) Requests To Exceed Allowance Limits

Title 30 CFR part 1206—Product Valuation, subparts C and D, prior to their amendment effective January 1, 2017, permitted a Federal oil and gas lessee to request to exceed certain caps that ONRR's regulations place on transportation and processing allowances by filing form ONRR–4393 (Request to Exceed Regulatory Allowance Limitation), with supporting documentation. See §§ 1206.109(c)(2) (2016), 1206.153(c)(3) (2016), and 1206.158(c)(3) (2016). Subject to the statute of limitations, a lessee may file this form to request to exceed the caps for oil and gas produced prior to January 1, 2017.

This ICR does not include burden hours for submitting information on form ONRR–4393 for Indian leases because those burden hours are addressed in ONRR's ICR 1012–0002 (Indian Oil and Gas Valuation).
