

opportunity to be heard by the Commission during the audit process? Has the audit process become more complex, costly, or inefficient? What can the Commission do to improve the audit process?

The Commission welcomes comments on how it might increase fairness, substantive and procedural due process, efficiency, and effectiveness of the Commission's auditing of political committees, and how the audit function could best serve the Commission's mission and enhance disclosure and compliance with the Act. The Commission is particularly interested in hearing from committees that have directly interacted with the Commission in the audit process, and their counsel, on how the Commission's audit policies and procedures have facilitated or hindered committees' productive interaction with the agency and substantial compliance with the Act.

On behalf of the Commission.

Dara S. Lindenbaum,

Chair, Federal Election Commission.
