**DATES:** The proposed rule published June 17, 2022 (87 FR 36432–36433) is withdrawn as of January 12, 2023.

**FOR FURTHER INFORMATION CONTACT:** Dale Kennedy at (202) 268–6592 or Doriane Harley at (202) 268–2537.

**SUPPLEMENTARY INFORMATION:** In the proposed rule that was published in the *Federal Register* (87 FR 36432–36433) on June 17, 2022, the Postal Service proposed to allow approved Caller Service customers with a unique 5-digit ZIP Code to add Customized Address by paying for the right to omit the PO Box number and replacing it with a different approved address line.

In consideration of concerns expressed by members of the mailing community during the proposed rule comment period, the Postal Service has elected to withdraw the proposed rule. Nevertheless, the Postal Service reserves the right to revisit this initiative at a later date.

**SUPPLEMENTARY INFORMATION:** The Postal Service is proposing to revise DMM subsection 508.1.8 by reorganizing and revising the subsections in 508.1.8. These changes are occurring, in part because the Postal Service has developed an electronic database to collect and manage the information collected on PS Form 1583, Application for Delivery of Mail Through Agent, which has been collected and maintained as paper records. Following are the proposed changes to subsection 508.1.8.

Current subsections 508.1.8.1 through 1.8.4 will be renumbered as subsections 508.1.8.2 through 1.8.5. New subsection 508.1.8.1 will define what type of business is considered a CMRA and therefore must comply with the requirements in this section. The definitions are based on the type of service the business entity receives from the Postal Service. If an entity receives U.S. Mail for multiple customers and receives single point mail delivery from the Postal Service, it is considered a CMRA for purposes of complying with these requirements. There will be three specifically defined entities that must register as a CMRA and comply with these requirements: a CMRA that provides private mail boxes and accepts delivery of mail on behalf of another; an office business center (OBC) that provides private office facilities for others and receives single-point mail delivery from the Postal Service; and a reshipping or redelivery service that accepts delivery of mail on behalf of another for the purpose of reshipping or redelivering that mail either physically or electronically.

Renumbered subsection 1.8.2, *Procedures*, will be revised to require a CMRA owner must apply to operate a CMRA by submitting a completed PS Form 1583–A, *Application to Act as a Commercial Mail Receiving Agency*, and

presenting acceptable, and not expired, form of Identification to the Post Office for review. If any of the information on PS Form 1583–A changes over time or becomes expired, the CMRA owner must submit an updated form to the Postal Service. The Postal Service will be scanning and uploading this form to the Postal Service's Facilities Database (FDB). The Postal Service will add a new item 1.8.2e to provide notice that CMRAs not in compliance with these regulations could be suspended and that CMRAs will have 30 days to come into compliance, and a new item 1.8.2f to affirmatively state that CMRAs and private mailboxes (PMBs) may not be used for criminal purposes.

Renumbered subsection 1.8.3, *Delivery to a CMRA*, will be revised to specify requirements related to PS Form 1583, *Application for Delivery of Mail Through Agent*, necessary with the implementation of the new CMRA Customer Registration Database. Item 1.8.3a will be revised to specify that a CMRA owner or manager will have to complete and submit a PS Form 1583 form themselves. Further, it will specify that spouses must each complete a separate PS Form 1583 if they both choose to receive mail at a single PMB address. The Postal Service is also specifying that the name and address information submitted on PS Form 1583 must match the photo and address verification documents provided with the application or the application will be rejected. Identification documents must be current (not expired). Any changes to the information on a PS Form 1583 will require the submission of a new PS Form 1583 and the CMRA owner must retain a copy of the identification documents submitted with the application. Item 1.8.3c will be revised to specify that CMRA owners or managers will be required to enter the data from PS Form 1583 and upload copies of the supporting documents into the Postal Service's electronic CMRA Customer Registration Database rather than provide paper copies to their local Post Office. Item 1.8.3h will be revised to specify that CMRA owners or managers must enter the date PMBs close into the CMRA Customer Registration Database and that any expired, illegible, or unclear documents are not acceptable and will not be considered in compliance. Item 1.8.3i will be revised to specify that CMRA owners or manager must certify the information they submitted in the CMRA Customer Registration Database is current each quarter, with certifications due 15 days after the end of each quarter. Item 1.8.3j will be

revised to specify that CMRAs will have 30 days to comply with deficiencies that are identified by the Postal Service. The Postal Service is proposing to add a new item 1.8.3l to specify that the CMRA may be directed by the Chief Postal Inspector to withhold mail from delivery to an individual PMB and return that mail to the Postal Service.

Renumbered subsection 1.8.4, *Addressee and CMRA Agreement*, will be updated to describe the procedures when the relationship between a CMRA and PMB holder end. Item 1.8.4a will be revised to specify that CMRA owners or managers must record when a PMB closes, enter that date in the CMRA Customer Registration Database, and that they must maintain their records for six months after the PMB is closed. Item 1.8.4b will be revised to specify that if a CMRA reships, or otherwise re-mails the mail addressed to a PMB, whether physically or electronically, the CMRA must record on PS Form 1583 and in the CMRA Customer Registration Database the address to where they reship, re-mail or transmit the customers mail. Additionally, if the mail is physically collected during the time period the PMB is active but remailed for the six month period after the PMB is closed, the re-mail address needs to be entered into the CMRA Customer Registration Database. Renumbered item 1.8.4d will be deleted as it is addressed in the revisions described above and item 1.8.4e will be deleted as to a separate provision for Restricted Mail, completion of a PS Form 1583 provides for an agent to receive all classes of mail. Items 1.8.4f and 1.8.4g will be renumbered as 1.8.4d and 1.8.4e.

The Postal Service is proposing to delete renumbered 1.8.5, *Office Business Center Acting as a CMRA*, since office business centers (OBCs) are defined as CMRAs for purposes of this regulation as specified in new subsection 1.8.1, *Commercial Mail Receiving Agency*.

The Postal Service is proposing to implement this change effective March 1, 2023.

We believe this proposed revision will provide customers with a more efficient process for establishing a CMRA.

Although exempt from the notice and comment requirements of the Administrative Procedure Act (5 U.S.C. 553(b), (c)) regarding proposed rulemaking by 39 U.S.C. 410(a), the Postal Service invites public comment on the following proposed revisions to *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM)*, incorporated by reference in the

Code of Federal Regulations. See 39 CFR 111.1.

We will publish an appropriate amendment to 39 CFR part 111 to reflect these changes.
