## II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b) (B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable. The Coast Guard did not receive the final details of this fireworks display in time to publish an NPRM. As such, it is impracticable to publish an NPRM because we lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule. To provide such a comment period would prevent the Coast Guard from enforcing the safety zone at the time of the event, leaving the public in danger from the hazards associated with a firework display.

## III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Detroit (COTP) has determined that potential hazard associated with fireworks from 6 p.m. on January 21, 2023, through 6:30 p.m. on January 22, 2023 will be a safety concern to anyone within a 50-yard radius of the launch site. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the fireworks are being displayed.

## IV. Discussion of the Rule

This rule establishes a safety zone from 6 p.m. on January 21, 2023, through 6:30 p.m. on January 22, 2023. The safety zone will be enforced from 6 p.m. through 6:30 p.m. on January 21, 2023. In the case of predicted inclement weather on January 21, 2023, this safety zone will be enforced from 6 p.m. through 6:30 p.m. on January 22, 2023. The safety zone will encompass all U.S. navigable waters of the St. Clair River, St. Clair, MI, within a 50-yard radius of position 42°49.477' N, 082°29.107' W (NAD 83). No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

## V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-year of the safety zone. Vessel traffic will be able to safely transit around this safety zone which will impact a small designated area of the St. Clair River from 6 p.m. through 6:30 p.m. on January 21, 2023 or January 22, 2023. Moreover, the Coast Guard will issue Broadcast Notice to Mariners (BNM) via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek permission to enter the zone.

### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121),

we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires

Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f) and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting less than one hour that will prohibit entry into a designated area. It is categorically excluded from further review under paragraph L60(a) in Table 3–1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

#### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and record keeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

#### PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

**Authority:** 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T09–0987 to read as follows:

#### § 165.T09–0987 Safety Zone; St. Clair Icy Bazaar Fireworks, St. Clair River, MI.

(a) *Location.* A safety zone is established to include all U.S. navigable waters of the St. Clair River, St. Clair MI, within a 50-yard radius of position 42°49.477' N, 082°29.107' W (NAD 83).

(b) *Enforcement period.* The regulated area described in paragraph (a) will be enforced from 6 p.m. through 6:30 p.m. on January 21, 2023. In the case of inclement weather on January 21, 2023, this safety zone will be enforced from 8 p.m. through 8:30 p.m. on January 22, 2023.

(c) *Regulations.* (1) No vessel or person may enter, transit through, or anchor within the safety zone unless authorized by the Captain of the Port Detroit (COTP), or his on-scene representative.

(2) The safety zone is closed to all vessel traffic, except as may be permitted by the COTP or his on-scene representative.

(3) The “on-scene representative” of COTP is any Coast Guard commissioned, warrant or petty officer or a Federal, State, or local law enforcement officer designated by or assisting the Captain of the Port Detroit to act on his behalf.

(4) Vessel operators shall contact the COTP or his on-scene representative to obtain permission to enter or operate within the safety zone. The COTP or his on-scene representative may be contacted via VHF Channel 16 or at (313) 568–9464. Vessel operators given permission to enter or operate in the regulated area must comply with all directions given to them by the COTP or his on-scene representative.

Dated: January 10, 2023.

#### DEPARTMENT OF VETERANS AFFAIRS

#### 38 CFR Part 21

RIN 2900–AQ91

#### Modifications of Approval Requirements for Courses Designed To Prepare Individuals for Licensure or Certifications

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Final rule.

**SUMMARY:** The Department of Veterans Affairs (VA) is amending its regulations to implement the provisions of the Jeff

Miller and Richard Blumenthal Veterans Health Care and Benefits Improvement Act of 2016. This final rule adopts without change a proposed rule, which adds new approval requirements as specified in the statutory provisions for accredited and nonaccredited programs designed to prepare an individual for licensure and certification in a State, implements VA’s new authority to waive the added approval requirements under certain circumstances and adjust the authority of a State approving agency to add new approval criteria, and adds a circumstance for disapproval of a program designed to prepare an individual for licensure and certification, as prescribed by the law we are implementing.

**DATES:** This rule is effective on February 17, 2023.

#### FOR FURTHER INFORMATION CONTACT:

Cheryl Amitay, Chief, Policy and Regulation Development Staff, (225C), Education Service, Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, (202) 461–9800. (This is not a toll-free telephone number.)

**SUPPLEMENTARY INFORMATION:** On January 10, 2022, VA published a proposed rule in the **Federal Register**, 87 FR 1087, to amend its regulations to add new approval requirements for accredited and nonaccredited programs designed to prepare an individual for licensure and certification in a State and to allow VA to waive the added approval requirements under certain circumstances. VA provided a 60-day comment period, which ended on March 10, 2022. We received two comments on the proposed amendments. Both comments supported the rulemaking, but requested clarifying information, which we provide below.

One comment requested that VA clarify the “undefined terms in 38 U.S.C. 3676 (approval of nonaccredited courses),” listing as undefined: “Quality,” “Qualifications,” “Financially Sound,” “Substantial Misrepresentation,” “Good Reputation and Character,” “Licensure and Certification,” “Such Additional Criteria. . . .,” and “Administrative Support.” The commenter stated that the standards to protect student veterans and GI Bill funds in 38 U.S.C. 3676 have been undefined and rarely enforced resulting in the abuse of veteran benefits and taxpayer funds.

VA shares the concern for the protection of student veterans and their VA education benefits and wants to provide assurances that the standards in sec. 3676 are clearly defined and upheld. The regulatory amendments
