Notice Pursuant to The National Cooperative Research and Production Act of 1993—Open RF Association, Inc.

Notice is hereby given that, on November 15, 2022, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Open RF Association, Inc. filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Zeku Technology (Shanghai) Corp., Ltd., Shanghai, PEOPLE’S REPUBLIC OF CHINA has been added as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Open RF Association, Inc. intends to file additional written notifications disclosing all changes in membership.

On February 21, 2020, Open RF Association, Inc. filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on March 11, 2020 (85 FR 14247).

The last notification was filed with the Department on June 10, 2022. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on August 1, 2022 (87 FR 47008).

Suzanne Morris,

Deputy Director Civil Enforcement Operations, Antitrust Division.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—AARST Consortium on National Standards

Notice is hereby given that, on October 28, 2022, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), AARST Consortium on National Standards (“AARST Consortium”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is: AARST Consortium on National Standards, Hendersonville, NC. The nature and scope of AARST Consortium’s standards development activities are: Standards of practice for radon measurement in all buildings; Verification of quality for radon measurement systems and quality assurance for field and laboratory operations; Standards of practice for mitigating radon and soil gas hazards in existing buildings; Standards for building design in new construction to mitigate radon and soil gas hazards; and Standards of practice for both measurement and mitigation of hazards in existing buildings due to radon in water.
