SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-492, OMB Control No. 3235-0549]

Submission for OMB Review; Comment Request; Extension: Rule 155.EXT

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Rule 155 (17 CFR 230.155) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) provides safe harbors for a registered offering of securities following an abandoned private offering, or a private offering following an abandoned a registered offering, without integrating the registered and private offerings in either case. In

connection with registered offering following an abandoned private offering, Rule 155 requires an issuer to include in any prospectus filed as a part of a registration statement disclosure regarding the abandoned private offering. Similarly, the rule requires an issuer to provide each offeree in a private offering following an abandoned registered offering with: (1) information concerning the withdrawal of the registration statement; (2) the fact that the private offering is unregistered; and (3) the legal implications of the offering's unregistered status. All information submitted to the Commission is available to the public for review. Companies only need to satisfy the Rule 155 information requirements if they wish to take advantage of the rule's safe harbors. The Rule 155 information is required only on occasion. We estimate Rule 155 takes approximately 4 hours per response to prepare and is filed by 600 respondents annually. We estimate that 50% of the 4 hours per response (2 hours per response) is prepared by the filer for a total annual reporting burden of 1,200 hours (2 hours per response × 600 responses).

An agency may conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.
