

Type of Review: Revision of a currently approved collection.

Abstract: A funding fee must be paid to VA before a loan can be guaranteed and evidence of guaranty issued. The funding fee is payable on all VA-guaranteed loans (*i.e.*, assumptions, manufactured housing, refinances, and real estate purchase and construction loans). Lenders are required to pay the funding fee in an internet-based application, VA Funding Fee Payment System (FFPS), that permits lenders to pay the funding fee online in order to obtain a VA loan guaranty. The application calculates the appropriate fee, including any late fees and interest that may be due. Lenders may also choose to pay the funding fee via batch payment processing by uploading an XML file into FFPS.
