

listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or

more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

### F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01, and Environmental Planning, COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f) and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves establishment of a temporary safety zone for navigable waters of the Laguna Madre in a zone defined by a 200 yds radius from the following coordinate: 26°5'49.71" N, 97°10'14.69" W. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by fireworks display in the waters of the Laguna Madre. It is categorically excluded from further review under paragraph L60 of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 1. A record of environmental consideration is not necessary, but will be provided if needed.

### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

(2) If permission is granted, all persons and vessels shall comply with the instructions of the COTP or designated representative.

## FEDERAL COMMUNICATIONS COMMISSION

### 47 CFR Part 1

[MD Docket No. 20-270; FCC 22-94; FR ID 123797]

### Schedule of Application Fees

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule.

**SUMMARY:** In this document, the Federal Communications Commission (Commission) revises its Schedule of Application Fees to adjust for increases in the Consumer Price Index (CPI).

**DATES:** Effective March 2, 2023.

**FOR FURTHER INFORMATION CONTACT:** Roland Helvajian, Office of Managing Director at (202) 418-0444.

**SUPPLEMENTARY INFORMATION:** This is a summary of the Commission's Order, FCC 22-94, MD Docket No. 20-270, adopted on December 15, 2022 and released on December 16, 2022. Based on the CPI, there is an increase of 11.6 percent in application fees. The full text of this document is available for public

inspection by downloading the text from the Commission's website at [http://transition.fcc.gov/Daily\\_Releases/Daily\\_Business/2017/db0906/FCC-17-111A1.pdf](http://transition.fcc.gov/Daily_Releases/Daily_Business/2017/db0906/FCC-17-111A1.pdf).

## I. Administrative Matters

### A. Final Regulatory Flexibility Analysis

1. No final regulatory flexibility analysis is required pursuant to 5 U.S.C. 604(a) of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*

### B. Final Paperwork Reduction Act of 1995 Analysis

2. This document does not contain new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104–13. In addition, therefore, it does not contain any new or modified information collection burden for small business concerns with fewer than 25 employees, pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, *see* 44 U.S.C. 3506(c)(4).

### C. Congressional Review Act

3. The Commission has determined, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget, concurs that these rules are non-major under the Congressional Review Act, 5 U.S.C. 804(2). The Commission will send a copy of this Report and Order to Congress and the Government Accountability Office pursuant to 5 U.S.C. 801(a)(1)(A).

## II. Order

4. By this Order, the Commission makes rule changes to Part 1 of the Commission's rules, and adjusts its Schedule of Application Fees, 47 CFR 1.1102 *et seq.*, as listed in the Final Rules at the end of this document, to adjust its fees for processing applications and other filings. Section 8(b)(1) of the Communications Act of 1934, as amended (Communications Act or Act), requires the Commission, in every even-numbered year, to adjust the schedule of application fees to reflect increases or decreases in the Consumer Price Index (CPI), rounded to the nearest \$5 increment. However, pursuant to section 8(b)(2) of the Act, the Commission may not adjust an application fee if: (1) in the case of a fee the current amount of which is less than \$200, the adjustment would result in a change in the current amount of less than \$10 or (2) in the case of a fee the current amount of which is \$200 or more, the adjustment would result in a change in the current amount of less than 5 percent.

5. In December 2020, pursuant to authority established by the RAY BAUM'S Act, the Commission adopted a new application fee schedule that significantly updated the Commission's previous fee schedule in both types of applications and other processes covered by the fee requirement and also in the fee amounts. The application fees for the Office of Engineering and Technology and the Media Bureau became effective on July 15, 2021, for the Enforcement Bureau, the Wireline Competition Bureau, and the International Bureau on December 15, 2021, and for the Wireless Telecommunications Bureau on April 19, 2022. Pursuant to section 8(b) of the Act, we are required to adjust the application fee schedule this year. Thus, this Order adjusts the application fees to reflect the net change in the CPI of 11.6 percent, an increase of 30.958 index points calculated from 267.054 to 298.012. The adjustments comply with the requirements set forth in section 8(b) of the Act.

6. *Procedural Matters.* The methodology and timing of adjustments to application fees are prescribed by statute at 47 U.S.C. 158(b). Because our action implementing the statute under section 8(b) leaves us no discretion, prior notice and comment is unnecessary pursuant to 5 U.S.C. 553(b)(3)(B). Additionally, no final regulatory flexibility analysis is required pursuant to 5 U.S.C. 604(a) of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.* Further, this document does not contain new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104–13. In addition, therefore, it does not contain any new or modified information collection burden for small business concerns with fewer than 25 employees, pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, *see* 44 U.S.C. 3506(c)(4).

7. Additionally, the Commission has determined, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget, concurs, that this rule is non-major under the Congressional Review Act, 5 U.S.C. 804(2). The Commission will send a copy of this Order to Congress and the Government Accountability Office pursuant to 5 U.S.C. 801(a)(1)(A) and section 9a(b) of the Act. Notification of the fee adjustments made in this Order will also be published in the **Federal Register**.

8. *Electronic Payments.* As a reminder, filers are required to submit payments electronically in accordance

with the procedures set forth on the Commission's website, <https://www.fcc.gov/licensing-databases/fees/application-processing-fees>. Payments can be made through the Commission Registration System (CORES), accessible at <https://apps.fcc.gov/core/userLogin.do>. To file applications, tariffs, and petitions, parties should utilize, as applicable, the Commission's Electronic Tariff Filing System (ETFS) for tariffs, which can be found at <https://apps.fcc.gov/etfs/etfsHome.action>, or the Electronic Comment Filing System (ECFS), which can be found at <http://apps.fcc.gov/ecfs/upload/display>. Petitions filed in hard copy format should be submitted according to the procedures set forth on the web page of the Commission's Office of the Secretary, accessible at <https://www.fcc.gov/secretary>.

## III. Ordering Clauses

9. Accordingly, *it is ordered*, that, pursuant to sections 1, 4(i), 4(j), and 8 of the Communications Act of 1934, as amended, 47 U.S.C. 151, 154(i), 154(j), and 158, the rule changes specified herein *are adopted* and the Schedule of Application Fees, 47 CFR 1.1102 *et seq.*, *is amended* as set forth in the Final Rules at the end of this document.

10. *It is further ordered* that the rule changes and adjustments to the Schedule of Application Fees made herein shall become effective 30 days after publication in the **Federal Register**.

11. *It is further ordered* that the Office of the Managing Director, Performance Evaluation and Records Management, *shall send* a copy of this Order in a report to be sent to Congress and the Government Accountability Office pursuant to the Congressional Review Act, 5 U.S.C. 801(a)(1)(A), and section 9a(b) of the Act.

Federal Communications Commission.

**Marlene Dortch**,  
*Secretary.*

**Endangered and Threatened Wildlife and Plants; Endangered Species Status for Sacramento Mountains Checkerspot Butterfly**

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Final rule.

**SUMMARY:** We, the U.S. Fish and Wildlife Service (Service), are listing the Sacramento Mountains checkerspot butterfly (*Euphydryas anicia cloudcrofti*), a butterfly from New Mexico, as an endangered species under the Endangered Species Act of 1973 (Act), as amended. This rule extends the Act's protections to the Sacramento Mountains checkerspot butterfly. We will propose the designation of critical habitat for the Sacramento Mountains checkerspot butterfly in a future rulemaking.

**DATES:** This rule is effective March 2, 2023.

**ADDRESSES:** The January 25, 2022, proposed rule (87 FR 3739) and this final rule are available on the internet at <https://www.regulations.gov>. Comments and materials we received, as well as supporting documentation we used in preparing this rule, are available for

public inspection at <https://www.regulations.gov> at Docket No. FWS-R2-ES-2021-0069.

**SUPPLEMENTARY INFORMATION:**

**Executive Summary**

*Why we need to publish a rule.* Under the Act, a species warrants listing if it meets the definition of an endangered species (in danger of extinction throughout all or a significant portion of its range) or a threatened species (likely to become endangered within the foreseeable future throughout all or a significant portion of its range). If we determine that a species warrants listing, we must list the species promptly and designate the species' critical habitat to the maximum extent prudent and determinable. We have determined that the Sacramento Mountains checkerspot butterfly meets the definition of an endangered species; therefore, we are listing it as such. Listing a species as an endangered or threatened species can be completed only by issuing a rule through the Administrative Procedure Act

rulemaking process (5 U.S.C. 551 *et seq.*).

*What this document does.* We are listing the Sacramento Mountains checkerspot butterfly as an endangered species under the Act. As explained later in this document, we are working on a separate rule to propose critical habitat for the Sacramento Mountains checkerspot butterfly.

*The basis for our action.* Under the Act, we may determine that a species is an endangered or threatened species because of any of five factors: (A) The present or threatened destruction, modification, or curtailment of its habitat or range; (B) overutilization for commercial, recreational, scientific, or educational purposes; (C) disease or predation; (D) the inadequacy of existing regulatory mechanisms; or (E) other natural or manmade factors affecting its continued existence. We have determined that the Sacramento Mountains checkerspot butterfly is endangered due to the following threats: incompatible grazing, recreation, climate change, invasive and nonnative plants, and an altered wildfire regime.

Section 4(a)(3) of the Act requires the Secretary of the Interior (Secretary) to designate critical habitat concurrent with listing to the maximum extent prudent and determinable. Section 3(5)(A) of the Act defines critical habitat as (i) the specific areas within the geographical area occupied by the species, at the time it is listed, on which are found those physical or biological features (I) essential to the conservation of the species and (II) which may require special management considerations or protections; and (ii) specific areas outside the geographical area occupied by the species at the time
