

minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The Longshore and Harbor Workers' Compensation Act (LHWCA) requires covered employers to secure the payment of compensation under the Act and its extensions by purchasing insurance from a carrier authorized by the Secretary of Labor to write Longshore Act Insurance, or becoming authorized self-insured employers. Each authorized insurance carrier (or carrier seeking authorization) is required to establish annually that its Longshore obligations are fully secured either through an applicable state guaranty (or analogous fund), a deposit of security with the Division of Longshore and Harbor Workers' Compensation (DLHWC), or a combination of both. Similarly, each authorized self-insurer (or employer seeking authorization) is required to fully secure its Longshore Act obligations by depositing security with DLHWC. These requirements are designed to assure the prompt and continued payment of compensation and other benefits by the responsible carrier or self-insurer to injured workers and their survivors. Forms LS-276, Application for Security Deposit Determination; LS-275-IC, Agreement and Undertaking (Insurance Carrier); and LS-275-SI, Agreement and Undertaking (Self-Insured Employer) are used to cover the submission of information by insurance carriers and self-insured employers regarding their ability to meet their financial obligations under the Longshore Act and its extensions. This information is currently approved through December 31, 2019. 33 U.S.C. 932 et seq. authorizes this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Written comments will receive consideration, and summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate

consideration, comments should mention OMB No. 1240-0005.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. The DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

The DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

## NATIONAL SCIENCE FOUNDATION

### Proposal Review; Notice of Meetings

In accordance with the Federal Advisory Committee Act (Pub., L. 92-463, as amended), the National Science Foundation (NSF) announces its intent to hold proposal review meetings throughout the year. The purpose of these meetings is to provide advice and recommendations concerning proposals submitted to the NSF for financial support. The agenda for each of these meetings is to review and evaluate proposals as part of the selection process for awards. The review and evaluation may also include assessment of the progress of awarded proposals. These meetings will primarily take place at NSF's headquarters, 2415 Eisenhower Avenue, Alexandria, VA 22314.

These meetings will be closed to the public. The proposals being reviewed include information of a proprietary or confidential nature, including technical information; financial data, such as salaries; and personal information concerning individuals associated with the proposals. These matters are exempt under 5 U.S.C. 552b(c), (4) and (6) of the Government in the Sunshine Act. NSF will continue to review the agenda and merits of each meeting for overall compliance of the Federal Advisory Committee Act.

These closed proposal review meetings will not be announced on an individual basis in the **Federal Register**. NSF intends to publish a notice similar to this on a quarterly basis. For an advance listing of the closed proposal review meetings that include the names of the proposal review panel and the time, date, place, and any information on changes, corrections, or cancellations, please visit the NSF website: <https://www.nsf.gov/events/advisory.jsp>. This information may also be requested by telephoning, 703/292-8687.

Dated: February 3, 2023.

**SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-96791; File No. SR-ICEEU-2023-003]

**Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to Part N1 of the Delivery Procedures**

February 2, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 20, 2023, ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule changes described in Items I, II and III below, which Items have been prepared primarily by ICE Clear Europe. ICE Clear Europe filed the proposed rule change pursuant to Section 19(b)(3)(A)<sup>3</sup> of the Act and Rule 19b-4(f)(4)(ii)<sup>4</sup> thereunder, such that the proposed rule change was immediately effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change**

ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) proposes to amend Part N1 of its Delivery Procedures (“Delivery Procedures” or “Procedures”) to update the delivery timetable for ICE Deliverable US Emissions Contracts.

**II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these

statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) *Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

(a) Purpose

ICE Clear Europe is proposing to amend Part N1 of the Delivery Procedures which applies to ICE Deliverable US Emissions Contracts (i) for which physical delivery is specified as being “Applicable” in the relevant Contract Terms, (ii) which go to physical delivery on the expiry date; and (iii) to which the Clearing House will announce by Circular that Part N1 specifically applies (such contracts “ICE Deliverable US Emissions Contracts”).<sup>5</sup> The Clearing House is proposing to amend the delivery timetable to remove extraneous and unnecessary provisions in the final row relating to the relevant parties’ obligations on the Delivery Day. The relevant delivery and payment obligations are already covered in the preceding rows of the timetable. Specifically, the provisions in the final row relating to final payment to the Seller are already addressed in the row titled “Payment to Seller.” Similarly, the provisions in the final row relating to the return of Seller’s Delivery Margin are addressed in the row titled “Payment to Seller.” The amendment would also remove an inconsistency between the deleted provision and the deadline for delivery of Allowances as set forth in the row titled “Seller’s Delivery to the Clearing House.” The amendments would additionally remove a statement in the final row relating to the treatment of deliveries after the specified deadline as being deemed received on the next business day. ICE Clear Europe believes that this statement was unnecessary and could have been read to imply that a late delivery was acceptable, which is not consistent with the deadline set forth in the row titled “Seller’s Delivery to the Clearing House” and current Clearing House practice. The amendments do not

<sup>5</sup> Part N1 of the Delivery Procedures (as filed pursuant to filing SR-ICEEU-2021-023, Exchange Act Release No. 34-93764 (Dec. 13, 2021), 86 FR 71692 (Dec. 17, 2021)) will not be operative until the Effective Date referenced below. Part N1, as amended by the proposed amendment set forth herein, will come into effect on or about 23 February 2023, with the specific effective date announced at least one week in advance through ICE Clear Europe Circular (the “Effective Date”).
