

5. How would you envision DOE engage with the FESI to:

a. Better support communities wishing to participate in the energy transition?

b. Better support industry and small businesses wishing to participate in the energy transition?

c. Drive long-term climate and clean energy strategy?

d. Broaden participation in energy technology development among individuals from historically underrepresented groups or regions?

e. Support the commercialization of energy technologies?

f. Support workforce development?

g. Foster collaboration and partnerships with researchers from the Federal Government, State governments, institutions of higher education, including historically Black colleges or universities, Tribal Colleges or Universities, and minority-serving institutions, federally funded research and development centers (FFRDCs), industry, and nonprofit organizations for the research, development, demonstration and deployment of transformative energy and associated technologies?

6. What potential challenges should DOE be aware of to proactively manage given the intent to establish the FESI?

7. What other ways could the establishment of FESI support the DOE missions? How could DOE engage effectively with the FESI on these activities?

Confidential Business Information.

Pursuant to 10 CFR 1004.11, any person submitting information that he or she believes to be confidential and exempt by law from public disclosure should submit via email two well-marked copies: one copy of the document marked "confidential" including all the information believed to be confidential, and one copy of the document marked "non-confidential" with the information believed to be confidential deleted. Submit these documents via email. DOE will make its own determination about the confidential status of the information and treat it according to its determination.

ENVIRONMENTAL PROTECTION AGENCY

[EPA–HQ–OPPT–2022–0773; FRL–10208–01–OCSPPP]

Agency Information Collection Activities; Proposed Collection and Request for Comment; Pollution Prevention (P2) Grantee Data Collection in Standard Electronic Format

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (PRA), this document announces the availability of and solicits public comment on an Information Collection Request (ICR) that EPA is planning to submit to the Office of Management and Budget (OMB). The ICR, entitled: "Pollution Prevention (P2) Grantee Data Collection in Standard Electronic Format" (EPA ICR No. 2728.01; OMB Control No. 2070–NEW), represents a new ICR. Before submitting the ICR to OMB for review and approval under the PRA,

EPA is soliciting comments on specific aspects of the information collection that is summarized in this document. The ICR and accompanying material are available in the docket for public review and comment.

DATES: Comments must be submitted on or before April 17, 2023.

ADDRESSES: Submit your comments, identified by docket identification (ID) number EPA–HQ–OPPT–2022–0772, through the *Federal eRulemaking Portal* at <https://www.regulations.gov>. Follow the online instructions for submitting comments. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Additional instructions on commenting and visiting the docket, along with more information about dockets generally, is available at <https://www.epa.gov/dockets>.

For general information contact: Katherine Sleasman, Regulatory Support Branch (7602M), Office of Chemical Safety and Pollution Prevention, Environmental Protection Agency, 1200 Pennsylvania Ave., NW, Washington, DC 20460–0001; telephone number: (202) 566–1205; email address: sleasman.katherine@epa.gov

SUPPLEMENTARY INFORMATION:

I. What information is EPA particularly interested in?

Pursuant to PRA section 3506(c)(2)(A) (44 U.S.C. 3506(c)(2)(A)), EPA specifically solicits comments and information to enable it to:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility.

2. Evaluate the accuracy of the Agency's estimates of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.

3. Enhance the quality, utility, and clarity of the information to be collected.

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. In particular, EPA is requesting comments from very small businesses (those that employ less than 25) on examples of specific additional efforts that EPA could make to reduce the paperwork
