B. Need and Uses

This clearance covers the information that contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

FAR 52.212-5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders—Commercial Products and Commercial Services. Paragraph (d) of this clause requires contractors to make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction by the Comptroller General of the United States, or an authorized representative. As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form.

FAR 52.214-26, Audit and Records—Sealed Bidding. This clause requires contractors required to submit certified cost or pricing data in connection with the pricing of a modification under a contract to make all records available to the contracting officer, or its authorized representative, including computations and projections related to the proposal for the modification; the discussions conducted on the proposal(s), including those related to negotiating; pricing of the modification; or performance of the modification. This clause requires contractors to make all records available to the Comptroller General of the United States, or an authorized representative, in the case of pricing a modification. This clause allows the Comptroller General to interview any current employee regarding such transactions.

FAR 52.215-2, Audit and Records—Negotiation. This clause requires contractors to maintain records for cost-reimbursement, incentive, time-and-materials, labor-hour, or price redeterminable contracts, or any combination of these, for contracting officers, or an authorized representative, to examine and audit all records and other evidence sufficient to reflect properly all costs claimed to have been incurred or anticipated to be incurred directly or indirectly in performance of a contract. The right of examination includes inspection at all reasonable times of contractor's plants, or parts of them, engaged in performing the
