

securities (CMT) adjusted to a constant maturity of one year; to the 30-day average Secured Overnight Financing Rate (SOFR); or to an alternative SOFR tenor approved by the Secretary. The Secretary may publish approved SOFR tenors as alternatives to the 30-day average SOFR tenor through notice. The index type used to calculate the initial mortgage interest rate must be the same index type used to calculate the mortgage interest rate adjustments, except as provided in paragraph (b)(3) of this section. Commingling of index types for the mortgage interest rate and adjustments is not otherwise allowed, unless approved by the Secretary. Unless otherwise provided in this section, each periodic adjustment in the mortgage interest rate must correspond to the upward and downward change in the index, except that downward changes in the index will not result in an index figure that is less than zero.

* * * * *

(2) *Monthly adjustable interest rate HECMs.* If a mortgage meeting the requirements of paragraph (b)(1) of this section is offered, the mortgagee may also offer a mortgage which provides for monthly adjustments to the interest rate subject to the following requirements:

(i) *Interest rate index.* Changes in the interest rate charged on an adjustable interest rate mortgage shall correspond to changes in the weekly average yield on U.S. Treasury securities (CMT) adjusted to a constant maturity of one year, to the weekly average yield on CMT adjusted to one-month, or to an alternative SOFR index approved by the Secretary. The index type used to calculate the initial mortgage interest rate must be the same index type used to calculate the mortgage interest rate adjustments, except as provided in paragraph (b)(3) of this section. Commingling of index types for the mortgage interest rate and adjustments is not otherwise allowed, unless approved by the Secretary. Unless otherwise provided in this section, each periodic adjustment in the mortgage interest rate must correspond to the upward and downward change in the index, except that downward changes in the index will not result in an index figure that is less than zero.

(ii) *Frequency of interest rate changes.* (A) The interest rate adjustments must occur monthly, calculated from the date of the closing, except that the first adjustment shall be no sooner than 30 days (28 days for February, as applicable) or later than three months from the date of the closing.

(B) To set the new interest rate, the mortgagee will determine the change

between the initial (*i.e.*, base) index figure and the current index figure, or will add a specific margin to the current index figure. The initial index figure shall be the most recent figure available before the date of mortgage loan origination. The current index figure shall be the most recent index figure available 30 days (28 days for February, as applicable) before the date of each interest rate adjustment.

(iii) *Magnitude of changes.* The initial mortgage interest rate shall be agreed upon by the mortgagee and the borrower. Adjustments in the effective rate of interest over the entire term of the mortgage (the lifetime adjustment cap) may result in a change in either direction of no more than ten percentage points from the initial contract interest rate. The Secretary may change this lifetime adjustment cap through notice.

(3) *Transition for existing mortgages indexed to LIBOR.* Mortgages with an existing adjustable interest rate indexed to the London Interbank Offered Rate (LIBOR) must be transitioned to the spread-adjusted SOFR replacement index approved by the Secretary by the next interest rate adjustment date for the mortgage on or after the Replacement Date. Notice of the transition to the SOFR replacement index must be sent to the borrower in accordance with the mortgage documents. The Secretary will publish through Mortgagee Letter any additional requirements for the transition of existing mortgages.

* * * * *

Julia R. Gordon,

Assistant Secretary for Housing—FHA Commissioner.

BILLING CODE 4210–67–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2023–0170]

RIN 1625–AA00

Safety Zone; Aransas Bay, Corpus Christi, TX

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for certain navigable waters in the Aransas Bay. The safety zone is needed to protect personnel, vessels, and the marine environment from potential

hazards created by a firework display launched from a barge in the Aransas Bay, Corpus Christi, Texas. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Corpus Christi or a designated representative.

DATES: This rule is effective from 8 p.m. through 9 p.m. on March 2, 2023.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Commander Anthony Garofalo, Sector Corpus Christi Waterways Management Division, U.S. Coast Guard; telephone 361–939–5130, email CCWaterways@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this safety zone immediately to protect personnel, vessels, and the marine environment from potential hazards created by the fireworks display and lack sufficient time to provide a reasonable comment period and then to consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to respond to the potential safety hazards associated with fireworks launched from a barge in the waters of the Aransas Bay.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The

Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with the fireworks display from 8 p.m. through 9 p.m. on March 2, 2023, will be a safety concern for anyone within the waters of the Aransas Bay area with a 400yds radius from the following point; 28°03'58.1" N, 97°01'45.3" W. The purpose of this rule is to ensure safety of vessels and persons on these navigable waters in the safety zone while the display of the fireworks takes place in the Aransas Bay.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 8 p.m. through 9 p.m. on March 2, 2023. The safety zone will encompass certain navigable waters of the Aransas Bay and is defined by a 400yds radius around the launching platform. The regulated area encompasses a 400yds radius from the following point; 28°03'58.1" N, 97°01'45.3" W. The fireworks display will take place in waters of the Aransas Bay. No vessel or person is permitted to enter the temporary safety zone during the effective period without obtaining permission from the COTP or a designated representative, who may be contacted on Channel 16 VHF-FM (156.8 MHz) or by telephone at 361-939-0450. The Coast Guard will issue Broadcast Notices to Mariners, Local Notices to Mariners, and/or Safety Marine Information Broadcasts as appropriate.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, and duration of the safety zone. The temporary safety zone will be enforced for a short period of one hour. The zone is limited to a 400yds radius from the launching position of in the navigable

waters of the Aransas Bay. The rule does not completely restrict the traffic within a waterway and allows mariners to request permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the temporary safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132,

if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, and Environmental Planning, COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f) and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves establishment of a temporary safety zone for navigable waters of the Aransas Bay in a zone defined by a 400yds radius from the following coordinate: 28°03'58.1" N, 97°01'45.3" W. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by fireworks display in the waters of the Aransas Bay. It is categorically excluded from further review under paragraph L60 of Appendix A, Table 1 of DHS

Instruction Manual 023-01-001-01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

- 2. Add § 165.T08-0170 to read as follows:

§ 165.T08-0170 Safety Zone; Aransas Bay, Corpus Christi, TX.

(a) *Location.* The following area is a safety zone: all navigable waters of the Aransas Bay encompassed by a 400yds radius from the following point; 28°03'58.1" N, 97°01'45.3" W.

(b) *Effective period.* This section is effective from 8 p.m. through 9 p.m. on March 2, 2023.

(c) *Regulations.* (1) According to the general regulations in § 165.23 of this part, entry into this temporary safety zone is prohibited unless authorized by the Captain of the Port Sector Corpus Christi (COTP) or a designated representative. They may be contacted on Channel 16 VHF-FM (156.8 MHz) or by telephone at 361-939-0450.

(2) If permission is granted, all persons and vessels shall comply with the instructions of the COTP or designated representative.

(d) *Information broadcasts.* The COTP or a designated representative will inform the public of the enforcement times and date for this safety zone through Broadcast Notices to Mariners, Local Notices to Mariners, and/or Safety

Marine Information Broadcasts as appropriate.

Dated: February 23, 2023.

J.B. Gunning,

Captain, U.S. Coast Guard, Captain of the Port Sector Corpus Christi.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2023-0134]

Safety Zones; Annual Events in the Captain of the Port Buffalo Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of Enforcement of regulation.

SUMMARY: The Coast Guard will enforce the safety zone for the annual Parade of Lights event in the Captain of the Port of Buffalo zone. Enforcement of this safety zone is necessary to protect the safety of life and property on the navigable waters immediately prior to, during, and immediately after this event. During the enforcement period, no person or vessel may enter the respective safety zone without permission from the Captain of the Port Buffalo or a designated representative. **DATES:** The regulations in 33 CFR 165.939, as listed in Table 165.939(b)(6), will be enforced from 8:45 p.m. through 11:15 p.m. on July 22, 2023.

FOR FURTHER INFORMATION CONTACT: If you have questions about this Notice of Enforcement, call or email LT Jared Stevens, Waterways Management Division, U.S. Coast Guard Marine Safety Unit Cleveland; telephone 216-937-0124, email D09-SMB-MSUCLEVELAND-WWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce a Safety Zone: Annual Events in the Captain of the Port Buffalo Zone listed in 33 CFR 165.939, Table 165.939(b)(6) for the Parade of Lights on July 22, 2023, in Cleveland, Ohio on the Cuyahoga River. Pursuant to 33 CFR 165.23, entry into, transiting, or anchoring within the safety zone during an enforcement period is prohibited unless authorized by the Captain of the Port Buffalo or a designated representative. Those seeking permission to enter the safety zone may request permission from the Captain of Port Buffalo via channel 16, VHF-FM. Requests must be made in advance and approved by the Captain of

Port Buffalo before transits will be authorized. Approvals will be granted on a case-by-case basis. Vessels and persons granted permission to enter the safety zone shall obey the directions of the Captain of the Port Buffalo or a designated representative. While within a safety zone, all vessels shall operate at the minimum speed necessary to maintain a safe course.

This Notice of Enforcement is issued under authority of 33 CFR 165.939 and 5 U.S.C. 552 (a). In addition to this Notice of Enforcement in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via Broadcast Notice to Mariners or Local Notice to Mariners. If the Captain of the Port Buffalo determines that the safety zone need not be enforced for the full duration stated in this notice, he or she may use a Broadcast Notice to Mariners to grant general permission to enter the respective safety zone.

Dated: February 23, 2023.

J.B. Bybee,

Commander, U.S. Coast Guard, Captain of the Port Buffalo, By direction.

[FR Doc. 2023-04154 Filed 2-28-23; 8:45 am]

BILLING CODE 9110-04-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R04-OAR-2022-0727; FRL-10421-02-R4]

Air Plan Approval; Kentucky; Revision to Federally Enforceable District Origin Operating Permits

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is approving a revision to the Jefferson County portion of the Kentucky State Implementation Plan (SIP) submitted by the Commonwealth of Kentucky through the Kentucky Energy and Environment Cabinet (Cabinet) on June 15, 2022. The changes were submitted by the Cabinet on behalf of the Louisville Metro Air Pollution Control District (District, also referred to herein as Jefferson County). The District's revision modifies the permit application timing requirements in the Federally Enforceable District Origin Operating Permits (FEDOOP) rule in the Jefferson County portion of the Kentucky SIP (Jefferson County Local Implementation Plan, or LIP). EPA is finalizing these changes pursuant to the Clean Air Act (CAA or Act).
