

should consist of pertinent written documents and exhibits.

Commenters needing more time to comment must submit a request in writing, stating the reasons for the request by the due date for comments. OSHA will limit any extension to 10 days unless the requester justifies a longer time period. OSHA may deny a request for an extension if it is not adequately justified.

To review copies of the exhibits identified in this notice, as well as comments submitted to the docket, contact the Docket Office, Occupational Safety and Health Administration, U.S. Department of Labor. These materials also are generally available online at <https://www.regulations.gov> under Docket No. OSHA-2009-0025 (for further information, see the “Docket” heading in the section of this notice titled ADDRESSES),

OSHA staff will review all comments to the docket submitted in a timely manner and after addressing the issues raised by these comments, make a recommendation to the Assistant Secretary for Occupational Safety and Health on whether to grant UL’s application for expansion of its scope of recognition and to add the test standard listed above to the NRTL Program’s List of Appropriate Test Standards. The Assistant Secretary will make the final decision on granting the application and on adding the test standard listed above to the NRTL Program’s List of Appropriate Test Standards. In making these decisions, the Assistant Secretary may undertake other proceedings prescribed in Appendix A to 29 CFR 1910.7.

OSHA will publish a public notice of its final decision in the **Federal Register**.

LEGAL SERVICES CORPORATION

Notice of Funding Availability and Request for Proposals for Calendar Year 2024 Basic Field Grant Awards

AGENCY: Legal Services Corporation.
ACTION: Notice of funding availability.

SUMMARY: The Legal Services Corporation (LSC) is a federally established and funded organization that funds civil legal aid organizations across the country and in the U.S. territories. Its mission is to expand access to justice by funding high-quality legal representation for low-income people in civil matters. In anticipation of a congressional appropriation to LSC for Fiscal Year 2024, LSC hereby announces the availability of funding for basic field grants with terms commencing in January 2024. LSC will publish a Request for Proposals (RFP) and seeks applications from interested parties who are qualified to provide effective, efficient, and high-quality civil legal services to eligible clients in the service area(s) of the states and territories identified below. The availability and the exact amount of congressionally appropriated funds, as well as the date, terms, and conditions of funds available for grants for calendar year 2024 have not yet been determined.
DATES: See **SUPPLEMENTARY INFORMATION** section below for grant application dates.

ADDRESSES: By email to lscgrants@lsc.gov or by other correspondence to Legal Services Corporation—Basic Field Grant Awards, 3333 K Street NW, Washington, DC 20007-3522.

FOR FURTHER INFORMATION CONTACT: Christine Williams, Program Manager for Basic Field Competition, at 202-295-1602 or email at williamsc@lsc.gov, or visit the LSC website at <https://www.lsc.gov/grants/basic-field-grant>.

SUPPLEMENTARY INFORMATION: The Legal Services Corporation (LSC) hereby announces the availability of funding for basic field grants with terms beginning in January 2024. LSC seeks grant proposals from interested parties who are qualified to provide effective, efficient, and high-quality civil legal services to eligible clients in the service area(s) of the states and territories identified below. Interested potential applicants must first file a Pre-Application (formerly Notice of Intent to Compete). After approval by LSC of the Pre-Application, an applicant can submit an application in response to the RFP, which contains the grant proposal guidelines, proposal content requirements, and selection criteria. The

Pre-Application and RFP will open in GrantEase, LSC’s grants management system, on or around April 14, 2023. Additional information will be available at <https://www.lsc.gov/grants/basic-field-grant>.

The listing of all key dates for the LSC 2024 basic field grants process, including the deadlines for filing grant proposals, is available at <https://www.lsc.gov/grants/basic-field-grant/how-apply-basic-field-grant/basic-field-grant-key-dates>.

LSC seeks proposals from: (1) non-profit organizations that have as a purpose the provision of legal assistance to eligible clients; (2) private attorneys; (3) groups of private attorneys or law firms; (4) state or local governments; and (5) sub-state regional planning and coordination agencies that are composed of sub-state areas and whose governing boards are controlled by locally elected officials.

The service areas for which LSC is requesting grant proposals for 2024 are listed below. LSC provides grants for three types of service areas: Basic Field-General, Basic Field-Native American, and Basic Field-Agricultural Worker. For example, the state of Idaho has three basic field service areas: ID-1 (General), NID-1 (Native American), and MID (Agricultural Worker). Service area descriptions are available at <https://www.lsc.gov/grants/basic-field-grant/lsc-service-areas>. LSC will post all updates and changes to this notice at <https://www.lsc.gov/grants/basic-field-grant>. Interested parties can visit <https://www.lsc.gov/grants/basic-field-grant> or contact LSC by email at lscgrants@lsc.gov.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: [23-017]]

Name of Information Collection: Automated Technology Licensing Application System (ATLAS)

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of extension of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections.

DATES: Comments are due by May 15, 2023.

ADDRESSES: Written comments and recommendations for this information collection should be sent within 60 days of publication of this notice to www.reginfo.gov/public/do/PRAMain.

Find this particular information collection by selecting "Currently under 60-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Bill Edwards-Bodmer, NASA Clearance Officer, NASA Headquarters, 300 E Street SW, JF0000, Washington, DC 20546, 757-864-3292, or b.edwards-bodmer@nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract: The information submitted by the public is a license application for those companies and individuals who wish to obtain a patent license for a NASA patented technology. Information needed for the license

application in ATLAS may include supporting documentation such as a certificate of incorporation, a financial statement, a business and/or commercialization plan, a project revenue/royalty spreadsheet, and a company balance sheet. At a minimum, all license applicants must submit a satisfactory plan for the development and/or marketing of an invention. The collected information is used by NASA to ensure that companies that see to commercialize NASA technologies have a solid business plan for bringing the technology to market.

II. Methods of Collection: NASA is participating in Federal efforts to extend the use of information technology to more Government processes via internet. NASA encourages recipients to use the latest computer technology in preparing documentation. Companies and individuals submit license applications by completing the automated form by way of the Automated Technology Licensing Application System (ATLAS). NASA requests all license applications to be submitted via electronic means.
